

Customer Easement Infringement Agreement

I, _____, hereby accept the rules set forth below by Oconomowoc Utilities for the right to infringe upon utility easements on my property. These conditions are set forth for the placement of decks, patios, fences or any type of decorative landscaping, driveways or additional hard surface areas.

- The customer understands, and agrees that any costs to repair or replace items placed within the utility easement shall in no way be the cost of Oconomowoc Utilities when the utility needs to access its facilities within the easement.
- Placement of items within the utility easement shall not interfere with the operation of Oconomowoc Utilities electric system.
- Diggers Hotline must be called prior to installation of any items that require excavation within utility easements.
