Re: Strategic Plan Update – COW June 18

The Strategic Plan is a tool to communicate the Council's expectations and work plan for Staff. This document directs Staff as to where the Council wants to allocate Staff Resources and Funding. Staff will use this plan to help formulate the City Budget and Capital Plan.

This meeting is a follow up to the Strategic Plan working session that was held on April 30th. At that meeting Council provided direction for updates to the Strategic Plan. Staff has now incorporated the changes into the Strategic Plan document.

The focus of the meeting will be to highlight the changes that were made to the 2018 Plan and get consensus from the committee to recommend approval of the updated plan to Council. The new version of the Strategic Plan will be included in the July 2nd Council meeting for adoption.
