## Dear Resident,

On August 11, 2018 the Lake Country Triathlon will be held at City Beach. The event expects to host 500 of the top athletes from Lake Country and the Midwest. As part of the event, portions of Wisconsin Avenue will have limited vehicle access.

### **BEGINNING AT 3:00 A.M. SATURDAY AUGUST 11, 2018:**

- Wisconsin Avenue will be closed from Main Street to Concord Avenue.
- All west-bound traffic will be closed between Concord Road and Ski Slide Road.
- There will be a single lane of traffic for east bound traffic only from Ski Slide Road to Concord.

Officers will provide access for residents residing on the north side of Wisconsin Avenue at controlled intersections. **Please see the map on the front of this card for access points or for full details, visit the website, [oconomowoc-wi.org](http://oconomowoc-wi.org).**

The triathlon will start at 7:00 a.m. with professional and elite athletes entering the swim. The first cyclist will be on Wisconsin Avenue at 7:10 a.m. We expect all athletes to finish the race by 11:00 a.m. and to have the entire course open by 11:30 a.m. subject to advisement by police officers that are assigned along the course.

We appreciate your attention during the race and ask that you consider delaying vehicle travel or plan to park in an area that is not along the course to have access to your vehicles during those times for athlete safety. **The course will be marked with construction barrels and cones between Concord Avenue and Ski Slide Road beginning at 3:00 a.m. August 11th. Please do not cross any of these expect at a designated or controlled intersection.**

**The City of Oconomowoc Police Dept. is requesting residences on the north side of W. Wisconsin Ave., that have driveways directly off of W. Wisconsin Ave., to park on side streets south of Wisconsin Avenue on Friday (8-10-18) night. RESIDENCES THAT HAVE DRIVEWAYS ON THE NORTH SIDE WILL NOT BE ALLOWED TO EXIT THEIR DRIVEWAYS DURING THE EVENT.**

For more information please see insert website or I can be reached directly at **262-327-4472** or **[info@silvercirclesportsevents.com](mailto:info@silvercirclesportsevents.com)**.

Sincerely,

Sean K. Osborne, Race Director
