10. Walkable downtown
11. Employment
12. Small-town atmosphere! Please retain!
13. Lived here my whole life.
14. Family
15. Born and raised here, it's always been "home" even when living elsewhere
16. Close to family
17. wife lived here when I married her in 2003
18. all of the above
19. family reasons
20. married to a man that lived here
21. This is where my business has been for 21 years
22. Hometown
23. 4th Generation in my family to grow up and stay here
24. Job
25. Long family history in area
26. Ability to walk around Fowler and the downtown.
27. FMily near
28. Lakes & historic downtown
29. Vacation home on Lac LaBelle
30. Dining options / downtown
31. Support for people with dust.
32. Lots of activities for those with special needs
33. To be near family
34. Grew up here, lakes and community
35. Where I grew up /family. Certainly not affordable
36. I was born in Oconomowoc as were my parents abs sisters and return at least once a year. I know and care deeply about the city.
37. A vibrant downtown
38. fate
39. Beautiful city
40. My husband is from here.
41. Did like the small town safe feeling before the growth
42. Because I grew up here
43. Because I was annexed
44. Family
45. I lived in Oconomowoc for 30 years and return many times a year
46. Live on the water
47. Beautiful, safe, and excellent schools!
48. As a past resident of Cooney what I enjoyed the most was the parks and lakes
49. family here
50. Moved back from Los Angeles to take care of my mom and dad
51. Churches and private school

- Better walking/biking access to stores
 - More options at Pabst Farms
 - Need of a Target store
 - Continue to update shops downtown
5. Restaurants/ Dining
- More restaurants
 - Higher-quality, more upscale
 - More places to eat
 - More locally-owned restaurants
 - Greater variety
6. Building
- Preserve historic buildings
 - Limit buildings that block the lakefront
 - Stop building condos
 - Fix current infrastructure before building new things
 - Better planning of building. Length it takes to do street repair
7. Streets
- More parking
 - Better lighting
 - Fewer street closures during construction
- Better maintenance (surfaces and plowing)
 - Fix pavement on the side roads/streets
8. Parks
- More dog-friendly parks
 - More trees
 - Upgrade parks/equipment
9. Traffic
- Too much congestion
 - Downtown specifically
 - Less truck-traffic
 - Traffic signals are poorly timed
10. Schools
- Need high quality public schools
 - Increased funding
 - Better sidewalk infrastructure for children
 - Improved youth activities/ gathering areas
 - Safer roads/lower speed limits near schools

	Response 1	Response 2
1	senior center activities building	
2	don't like those huge condos on the lake	are taxes going to decline?
3	warning flasher lights of pedestrian crossing on WI Ave	
4	downtown parking	larger facilities for senior center
5	Downtown parking	less condos and a senior center
6	less traffic construction slowdown	allow dogs in parks
7	fix pavement of side roads/streets	
8	less condos	better planning of building-community center, length it take to do street repair
9	Less Condos	Repair Streets
10	Housing	Recreation
11	Fix the roads	Fix the roads
12	continue to update shops/restaurants in downtown area	
13	Downtown shops open more evenings	Better control of careless drivers
14	More parking	
15	affordable single family housing	
16	Public Transportation	
17	downtown grocery store	outside dining/cocktails on Fowler Lake
18	a downtown market for groceries	less stop lights on 67
19	renovate old downtown buildings	bring a Red Lobster restaurant into town
20	Less residential building and urban sprawl	Less traffic congestion
21	more active citizen participation in gov.	improve street maintenance

	Response 1	Response 2
22	Help/support neighborhood HOAs enforce covenants agreed upon by homeowners...	Allow wider driveway approaches for 3 car garages. 2 car approaches are awful and not practical for 3 car garages.
23	Stop building, buildings on lake side of street !!! (Save the view for ALL to enjoy)	STOP building condos and apartments in downtown !!!!
24	Bring in more nightlife i.e. restaurants, bars, night clubs etc.	Bring in more retail business so Oconomowoc residents don't have to drive so far to go shopping.
25	Things for a family to do	Lower taxes so a family can spend money on family things instead of taxes
26	Stop building condos	Have a store or 2 besides 2 pic and saves and 3 kwik trips
27	More parking downtown	More activities for teens
28	Fewer condos/multi-family units/apartments	Continuing care and emphasis on keeping old building and our heritage alive in Oconomowoc.
29	Less regulation	Less government
30	More hiking trails in woodland areas	Be more dog friendly
31	More parking downtown	Limit large buildings blocking the lake views
32	Parking (of course), better LIGHTING of sidewalks at night (more lights), better sidewalks - making them wider for bikes to use as well, better crosswalks - cars cant see me when crossing the street at crosswalks... So many people walk around the lake yet when daylight savings time hits we are all in the dark most of the way. Waukesha has way more street lights on their roads than we do in Oconomowoc	Put grocery store back in sentry building for those of us who need to walk to the store and cant drive but can ride a bike to it. PnS is so far to get to.
33	Lower property taxes	Drug store downtown
34	Continue improving roads	Continue doing events downtown
35	Target closer and bigger than Delafield	More food locations with drive through
36	Fewer apartments/condos	Locally owned shopping and restaurants
37	More amenities on the west side of town	
38	Less high rise condominium	Better roads/ plowing/salting residential area
39	Downtown parking increase	Less condos
40	Stop condo and apartment complex blds	No more gas stations
41	Better schools	Need grocery store downtown
42	Roads	Parking
43	Orange crossing flags with buckets at busy crosswalks.	Grocery store downtown.
44	Not sure	
45	More restaurants	Better retail shopping
46	Downtown parking limits ability to attend events	Overbuilding resulting potential loss of overall charm and culture of the city.
47	Stop all the building	More parking
48	Better restaurants	Better shopping options
49	Nothing	
50	Less expansion	Less condos
51	Parking downtown	Allow Pets at Veterans Memorial Park
52	More pet friendly	More parking
53	Better public works- terrible at plowing and maintaining green space	No more expensive high rise apts/condos. Downtown looks terrible
54	Parking structure behind Avenue Mall	Remove some of the stop lights, add roundabouts
55	Less development downtown	Less residential development

	Response 1	Response 2
56	Decrease new housing projects. Oconomowoc is starting to not be able to handle the population growth in every aspect.	Improve crosswalk signals/lighting so people can be seen. Dangerous at times driving on Wisconsin Ave.
57	Higher end restaurants downtown	Supporting infrastructure for all the new condos & subdivisions
58	Better restaurants	More things for teens to do
59	Lower taxes	Better snow plowing!
60	Parking need a park structure	Parking in front of Eagles Landing on the street
61	Complete trails for bikers, walkers.	Improve quality of foods available at restaurants.
62	Less building to preserve natural environment	More activities specifically for seniors
63	Don't close streets while building condos	Better retail
64	Improved east-west flow of traffic	Complete tunnel under hwy67
65	Alternate side parking on city streets in winter - I have a small driveway and we barely fit	Dogs allowed in parks, especially a few on water.
66	Transportation - bike path connectivity	School quality
67	Stop building	Stop building
68	More casual dining options	
69	Less condos	More events
70	More walking/biking paths	Better schools
71	Train whistle enforcement	Park and Rec department
72	Creating a public dog park.	Keeping as much waterfront land open to the public.
73	Better garbage company. John's is absolutely horrible.	More city parking. All the shops but no place to park
74	more parking downtown [not sure how though...]	
75	More entertainment and dining in the downtown	More specialty retail in the downtown
76	more trees planted in parks	
77	Less truck traffic	More parking space
78	Improve the lake view	Improve the schools
79	Safety, crime and sex offenders	Holding people more accountable
80	Better shopping: Wal-Mart and/or dept. store	Smoother roads
81	-add vacuum truck for curbside leaf collection	-block semis on Wisconsin ave, elim parking on Wisc downtown, put in bike lane
82	Monthly "lights out" to view stars	Green spaces preserved
83	Less residential development along water; river or lake.	More green space, dedicated river access for paddle, bike lanes.
84	More green spaces	Pet friendly areas
85	Continued emphasis on green space, natural areas, etc.	Limitations to downtown traffic during evenings and weekends. Not sure how to accomplish this, but the quantity and speed of cars is concerning for public safety.
86	Lower taxes	Less condos
87	Connect the Oconomowoc Parkway	
88	More bike and walking paths	more variety in restaurant and shopping choices
89	Moderate development especially high rises	Be fiscally responsible with city spending
90	More access to the lake	Increase the beach accesses and size
91	Seeing more businesses coming into town	More kids activities for working parents in the evenings or weekends
92	remove parking from on Wisconsin Ave between North Walnut and Main St and replace with a bicycle lane	Allow dogs in all of the parks and provide garbage bags for dog waste
93	Stop putting up condos.	Add a variety of lower cost stores and eateries.

	Response 1	Response 2
94	change the stop lights to be flashing red/yellow after 7 at night	remove lights at old Sentry intersection
95	Downtown parking	More roundabouts in key locations
96	More dining options (variety)	Improvements on Village Green (restrooms, etc.)
97	Road Condition	Affordable Housing
98	stop building condos	get rid of the construction downtown
99	We need parking downtown. Storefront parking is not enough.	Our roads need a lot of repairs!
100	No huge unattractive condos I our historic downtown	Keep our historic feel
101	Make sure streets that need to be paved are paved before streets that don't. (ex. Harvard St.)	Improve street lighting in some areas.
102	To have a train station for people in Oconomowoc to commute to Milwaukee and Madison by train.	To keep green space and beaches near the lakes. NO MORE HUGE CONDOS GOING UP ON THE LAKE!
103	Listening to the people of the communitu	Shopping
104	More employers	More events
105	A downtown higher end grocery store	
106	Stop allowing private developers to clog public streets w construction equipment	Allow leaf pickup in the streets w vacuum truck
107	More restaurant options that are not fast food	
108	More bike trails	Upgraded parks
109	No more condos.....blocks the lake view and makes the town feel claustrophobic	Small grocery store in or around downtown
110	No codos	Less apments
111	More commercial development	
112	More places to take your kids like a splash pad, bounce house place.	Target store
113	Road quality	Less stop lights, more round a bouts
114	Road repairs	
115	Fishing pier put back on Lac La Belle	More cops ticketing speeding. It's awful how fast people go.
116	.	.
117	Better on line communication	Fulfill promises made at Pabst Farm
118	More Trendy restaurants (rooftop bar)	
119	Talk about Diversity and it's importance	Empowering low income families in our own city
120	Parking for access to stores in downtown	Fix traffic congestion-it's hell driving through downtown to get to the house
121	Downtown Parking	
122	Connecting more roads in the city. Right now you have a two major roads.	
123	Continue to develop more businesses downtown	Stop selling lakefront land to condominiums
124	Affordability	
125	More parking throughout the city, not just downtown.	More big box stores
126	Stop building	Better police protection
127	Real stores	Restaurants
128	Give us back our lake views downtown	Stop selling to condo developers.
129	Less big development	Create an off-leash dog park
130	More downtown parking	More nice restaurants
131	Roads	More businesses in pabst farms

	Response 1	Response 2
132	Additional restaurants	Additional retailers
133	More unique (not chain) restaurants.	Healthy food options (grocery stores, restaurants)
134	Better Street Maintenance on Thackeray Trail	Council that listened to the citizens
135	More bike and walking paths	Downtown or west side grocery store
136	Finish Oconomowoc Parkway	More bike & pedestrian friendly infrastructure
137	Less low-income housing for the transient population	Stop building high-rise apartments/condos right by the lake. It blocks the view for everyone else.
138	Continue efforts to manage growth	Increased education to public
139	Better street maintenance, snow plowing etc	Consolidate law enforcement to save \$\$
140	Slow down the building of high priced condos and apartments	Make Pabst Farms what it was promised to be
141	Slow down the development	Do something, anything for the youth.
142	walk or bike to shops, hospitals, services	more boat launch spots/parking (for a pontoon, not a small fishing boat)
143	No Comment	No Comment
144	better restaurants in downtown	
145	available public transportation	more available help for assistance with house and yard chores
146	Revitalize the downtown	New development
147	Finish the lake walk to City Beach	Better Downtown Parking
148	more pedestrian paths and safe biking/walking routes for kids and adults	preserve open space - the scenic views of open land provides beauty, stress relief, and so many ecosystem services - clean water, air, soil, habitat, etc..
149	Get rid of K-mart need a store more affordable choices: Target, Meyer, Walmart	Continue to improve beauty of boardwalk/downtown area with park area and trees
150	Better parking in the downtown	More quality shopping out at Pabst Farms
151	Walgreens or other drug store downtown to walk to	Grocery store - not expensive
152	Further development of Pabst Farm	Sidewalk on Lapham adjacent to Longmeadow subdivision
153	updated schools	
154	More dog Friendly parks and public areas	
155	Refresh of parks and and park equipment in some of the smaller parks	Continuing development of the downtown area
156	stop building condos	more diverse dining/entertainment options
157	Preservation of historic properties	More controlled development
158	The city listening to issues such as flooding on Crystal Lake	Larger variety of stores in Pabst Farms
159	roadway connections at Thackeray & Lake Bluff Drive	Implement trail connections & easments City has in place
160	less road work	more parking downtown
161	Get rid of the round about and put in a light.	Get more stores in the Pabst Farms area.
162	less condos blocking the view of the lake	less condos blocking the view of the lakes
163	Maintain the downtown charm- don't lose all historic aspects	Be proud to be Oconomowoc. Stop trying to be Brookfield or other cities.
164	Less churches/omnipresent religion	Fill empty buildings with businesses
165	Parking. More parking, central to downtown. I don't mind walking, I do mind having to hunt for a space.	Allowing chickens within city limits (limited by household size maybe?)
166	Safe cross walks	Communication from City

	Response 1	Response 2
167	More events for younger people	More boat docks for rent
168	Even greater appreciation for our lakes, river, watershed	Even better parks
169	Chick fil A	Sams Club, Woodmans or Costco
170	Expansion of teen services	Continued economic development
171	Traffic tie ups downtown	Parking downtown
172	A better department store. Please get rid of Kmart and give us a Walmart	
173	More grocery options	More food options
174	Chemically Treat Lake Fowler to control weeds	Improve safety via better speed control in downtown areas. Too many speeders for the number of pedestrians
175	Healthier restaurants	Don't over build. Keep nature.
176	Attract more day to day life shopping options for daily household needs; a better option than just Kmart	
177	quality of street surfaces	downtown parking
178	Free city beaches for residents	Bike trails around town now that there is increased traffic
179	Grocery stores and churches in town not outskirts	Stop the building and taking the countryside away so we can stay small town feeling and the country can stay country. We don't want to be another Waukesha
180	More activity's for teenagers	More restaurants
181	Open road on Thackeray Trail	Stop building condos on the lakes, can't see the lake anymore
182	Fix more roads, especially Elizabeth st	Better water quality
183	School drop off traffic	More dining choices
184	Grocery store on west end of town	Proper Sidewalks for walking to schools
185	No more high rises	Less retention ponds
186	Na	Na
187	Less new apartments, condos	Less crowding out of businesses
188	Affordability of housing (not low income, just affordable options for those who are middle class)	Revamp of older town down buildings
189	Less growth	
190	Small town feel	
191	Downtown parking	Better variety of medium to fine dining. Too many pizza and coffee places.
192	Less condos especially around lakes so everyone can enjoy the views	More parking downtown
193	More for kids and teenagers to do	More affordable homes for the middle class
194	None	None
195	No more condos	
196	keep the old and historical houses standing	keep offering great family activities
197	More undeveloped natural spaces	
198	The smaller streets in town in the older neighborhoods should be repaired, not just shoddily patched.	Getting thrush the roundabout from the north or south is impossible at busy times of the day.
199	More destinations for families to go together	A greater appreciation for the history of the city
200	More ways to enjoy the lakes	Fix up the homes around downtown
201	Drive through coffee	More shopping options

	Response 1	Response 2
202	Do not charge city residents for beach use	More downtown parking spaces
203	more affordable living	
204	Construction	Downtown offerings for restaurants and shopping
205	corridor east of the roundabout	spaces for teens and young adults
206	Lower taxes	affordable rentals
207	Quality healthcare	Outlets for tweens and teens
208	Higher quality business/restaurants	Bike trails on major roads south end of town / concord road
209	The length of the traffic light at Wisconsin & Main	Fix the roads
210	Stop building condos blocking out beautiful lake views and bringing in a different crowd downtown	
211	Woodman's please	Chick-Fil-A
212	I feel cut off due to the bypass and having to "go around."	I am worried how much worse the traffic will be with all these condos/apartments going in downtown because the traffic is already ridiculous during rush hour.
213	Less segregation or favoritism of the higher income families	All schools equal and more programming for kids who accel
214	More dining options	More retail options/ but not cheap places like Farm & Fleet :(
215	Better community planning affects everyone daily	
216	Clean up old neighborhoods...help remodel houses	Sick of dumpsters and junk at business property at end of franklin street
217	More local business in downtown	
218	Train stop	East Wisconsin Ave retail development
219	Some more shopping options on the northern side of town near 16/67 and closer to NHI	
220	Stop building condos and apartments in downtown area	Add more Green space in planning. For example the area on Lisbon Rd by Oconomowoc golf course should have been set aside rather than build more senior services. There is no Green space as the city continues to expand.
221	Better response from city departments!	
222	Traffic signals based on traffic flow, not timed	Less Fleet Farm businesses
223	More non-chain restaurants	Need for more teen/juvenile friendly venues
224	more affordable housing - too many richy condos!!!!	more stores like Target, Shopko, World Market
225	Traffic	Less growth
226	Dont get busier	I am happy as it is
227	Sensible growth development	Taxes
228	More bike trails	More downtown businesses
229	Get rid of the "Pabst Farms" high end idea, we need shops and different food options	Dont make it hard for small business to succeed!
230	Communication	
231	more affordable housing/less condos	public transportation within city
232	Careful, thoughtful city budgeting and taxation.	Road maintenance.
233	Improve East Wisconsin Ave corridor	Make sure Olympia does not become a Subdivision
234	Local transportation	
235	Better protect the lakes, we have to much impermeable	It seems as if the city rubber stamps every

	Response 1	Response 2
	surface right next to the lakes	development that comes a long, more study of all the impacts to our community is needed.
236	Control traffic at hwy 67/ beach rd area	Develop better ways to control water runoff in subdivisions
237	Many residential roads need improvement	The lights on hwy 67 are not timed well at all
238	Downtown traffic handling	West/East side development
239	Less condos near downtown	Less downtown "NEW" construction
240	No more high rise condos; no more round-about	a movie theater
241	More roundabouts and less stop lights	Legalize medicinal marijuana
242	Restrict building on our lake shores	Invest in public education
243	NO MORE CONDOS	NO MORE CONDOS
244	more restaurants	
245	More parking	More views of the lakes
246	More parking downtown	More shopping at Pabst farms
247	Parking needed for downtown	Increase community park for usage
248	Construction and traffic	Stop Building
249	Stop allowing Big condo builders in our downtown	Stop removing the historic value from our community. It's one of the main reasons we chose to move here
250	Improve schools	
251	More business in the area, ex:restaurants,shops	Less development ex:condos
252	Less condos and Apts	More community type stuff for downtown
253	We need a dog park	Bike path/trail to Dousman to hook up with trail there
254	Ending school referendums	Adding conservative leadership to school board
255	Emphasis on teens -skate park, sledding hill @Olympia w/ rec center. Coordinate events with school district	Plan for affordable housing. Businesses need access to lower wage employees
256	Community investment in schools	Fewer condo developments
257	More green turn arrows and stop lights on the bypass to deal with all the new developments. Driving there is so dangerous.	More restaurants and shops downtown.
258	Prioritize natural spaces with collaborative educational partners	Increase city/area wide bike/walking paths
259	Public transport to/from Milwaukee and Madison	Increased focus on diversity and bringing more minorities to the area
260	Street improvements- repaving	Attract more high quality businesses
261	A grocery store downtown, like a Sendicks	Parking structure
262	Turn Olympia Resort into a publicly owned golf and ski destination	
263	Fewer condos and obstructions of the beautiful lake views. The overdevelopment is a travesty.	The Village Green and restaurants downtown have been a plus. Nicely scaled.
264	Safety of individuals downtown (teen hours?)	Continued community events
265	More restaurants	More shopping
266	More realistic speed limits on major roads	Free access to beaches for city residents
267	Less condos	Less condos
268	Less construction	More downtown parking
269	More downtown parking	More upscale shopping, a movie theater
270	If we had a Target store	Improve the curb appeal of businesses on Wisconsin ave. Between downtown and 67 bypass-that area is

	Response 1	Response 2
		such an eye sore. Develop the old Sentry property into family friendly retail space. For the love of God, stop building condos.
271	More options to choose from.	A Target store.
272	Pabst farms retail	More restaurants/bars
273	Bike trails through city	Not sure
274	Continued city growth	Being back high-end shopping growth
275	Road improvement	Quality Public Schools
276	not sure, have to think about this one.	
277	cracking down on unsafe drivers, specifically those who drive through stop lights when it is red!	build a Splash Pad :-)
278	Stop condo building	Provide parking downtown
279	More affordable apartments instead of ridiculous condos	Supporting downtown businesses and upkeep of buildings to make it appealing for visitors
280	Different stores	More parks
281	Police presence during rush hour/slow down traffic on Summit Ave./67	Do not allow any more high rise apartments or condo living
282	Grocery store where sentry use to be. Not pick n save	Improve the buildings and businesses east of the roundabout downtown. Many buildings are unkept.
283	Better zoning	More conveniences
284	Less development	
285	Better traffic control	More downtown parking
286	Fix road at train track Wisconsin Ave and Cross St	Improve the approach on Hwy 16 heading west in to Oconomowoc.
287	Less condominiums	Transparent city government-which we do not have
288	Train stop	
289	More parking	
290	Road repairs in areas other than downtown.	More police enforcement of speed along the bypass and Hwy 16 corridors.
291	Fewer condos	
292	More retail- big box stores...Target, Home Depot/Lowe's, Costco	More national chain restaurants - Olive Garden, Red Robin, Macs. You know what I'm saying. Something besides Chili's.
293	Local road improvements	It'd be nice to have a yard waste dump so we don't have to wait for pickup
294	Additional moderate to high end restaurants and shopping	More dog friendly; additional recreation facilities such as a tennis/racket facility, community pool
295	City plants a tree barrier on their lot on 67bypas and Z. The stop lights shine in our windows. There are big trees behind all of the homes next to the bypass.	
296	Fewer condos so that everyone can see the lakes rather than big stupid brick monstrosities. Keep the big old houses that have been part of Oconomowoc's past.	Fewer fast food places on Hwy 67 and more natural beauty visible.
297	More police patrol to stop speeding	Slow down growth
298	not extend Thackeray Trail	time stop lights better between walgreens & 94
299	Lower price new homes	Better retail stores
300	Fix our street without extending it	Improve parking downtown
301	Less traffic	Less building

	Response 1	Response 2
302	Less condos	No low income housing
303	We need a discount store. Kmart is terrible. We really need a Walmart or Target.	parking downtown needs to be addressed. It's awful. The new condos/stores are going in across from St Paul's with NO PARKING being added. Parking there stinks already.
304	Improve access to lakes for entire community	Listen to residents instead of developers. Stop condo growth!
305	Leaf pick up without bags	Burning regulations
306	Road quality	More dog-friendly parks
307	Less buildings/retail improvements	
308	No more condos or appts	Affordable subdivisions for middle class taxpayers
309	Stop all the building of massive structures. Who wanted all of this.	Opportunities for Family Activities
310	Less apartments and condos	Up scale businesses
311	Less million dollar condos	Preserve the history
312	No more condos	more pet friendly
313	Downtown stores opened after working hours.	Less clustered high rise buildings.
314	More beer gardens	More upscale, unique restaurants
315	More (and better) options for shopping. Like Target, Kohl's, Costco, Woodmans	Continue to support and improve downtown.
316	More retail like target, woodmans etc	More restaurants
317	Continue to improve public safety	Continue special events downtown
318	Better public schools	
319	Bathrooms open year round at the main city locations	Have beach prices be for school district not city based
320	More Shopping Locations (big stores)	Pet friendly parks
321	More police patrols on Oakwood Ave.	No parking enforced on Greenland Ave.
322	Less condos	More trees and nature space
323	public transportation options to Madison and Milwaukee	more bike lanes and sidewalks
324	Better parking downtown	Fewer condos and neighborhoods
325	More sidewalks in our area to local schools	Higher-end shopping out in Pabst farms- Target, Trader Joes, etc.
326	Less condos	Better roads
327	Less condos!	More restaurants
328	Additional parking downtown	
329	Streets	
330	More retail stores	More restaurant choices
331	Stop building condos to keep small town feel	Improve things that people care about instead of things they dont
332	Outdoor aquatic center	
333	more retail shopping	
334	Better roads	More chain restaurants
335	More retail near Pabst Farm	Fix current infrastructure before building/expanding
336	Less development	Less big stores
337	Higher quality places to shop	Less rampant building on the lakes
338	More restaurants	Target
339	More grocery stores like Trader Joe's	Continued investment in schools
340	Quality education preparing students for future tech and	Develop the commercial offerings at Pabst

	Response 1	Response 2
	science careers	Farms...larger retailers, restaurants and businesses. Local employment opportunities
341	Better Streets	More Basic retail shops
342	More sit down restaurants	Meijer food store
343	Less condos!	Increase communication within community, realize in today's world not everyone can attend city meetings or read the minutes. Have information easily accessible, Keep open lines of communication always within the community. So much is still good ole boys club, works has changed, have more social media posts alerting residents of happenings. All anyone wants is to know what is going on. When you fail to communicate above and beyond, it gets the rumor mills going and people speculate, judge, and gossip. That could easily be improved with better communication. This community is so amazing, and I am so proud to have worked, lived and raised our children in this wonderful environment. Let's never lose that!
344	Fix downtown side streets (Cross Street, Forest. etc)	No more condos/apartments! Too crowded and looks awful. Bring back the charm.
345	Put roads through to distribute traffic	Construct parking garage on Collins street
346	street repair	yard waste removal
347	Social conscience regarding preserving public space for the community.	Limiting large scale development of land on the lakes.
348	-	
349	more parks with playgrounds	more bike lanes
350	more small business	less apartments
351	Switch roundabout to one lane	Develop a program for the emerald ash bore to help home owners with removing or treating these trees
352	Traffic	Bikability
353	Focus on small businesses	Less expansion of condos and apartments
354	More restaurants	Get a Sendik's
355	More downtown businesses and less condos	More parking downtown without a structure
356	street repair	more handicap parking
357	More restaurant options	More or improved parks and recreation areas
358	na	Na
359	Safer driving; lower speed limits, especially near schools	More employment opportunities with a living wage
360	More inviting downtown	Less condos
361	Cheaper housing all these condos insanity bring in wealthy people not us everyday Joe's	Police freaking out if they see someone with darker skin. My kids love diversity
362	More "big box store" shopping (ex: target, walmart) in pabst farms area.	
363	More parking downtown- build a parking structure to increase spots without taking up too much land	Increase public school funding- I'm not impressed with the scores we have received over the last few years and I know we can do better
364	Downtown grocery store	Movie theater
365	Recreation adults	Recreation for kids
366	Council without personal agendas	spend the \$12 on a good Police Station / Sentry

Question 10: What primary factors contribute to a positive quality of life for you in Oconomowoc? (select up to 3)

Answer Choices	Responses
Access to employment	59
Access to housing	57
Community activities	237
Natural resources	230
Quality of municipal services	99
Recreational opportunities	167
Safety	271
Schools	172
Other (please specify)	21
Total	407

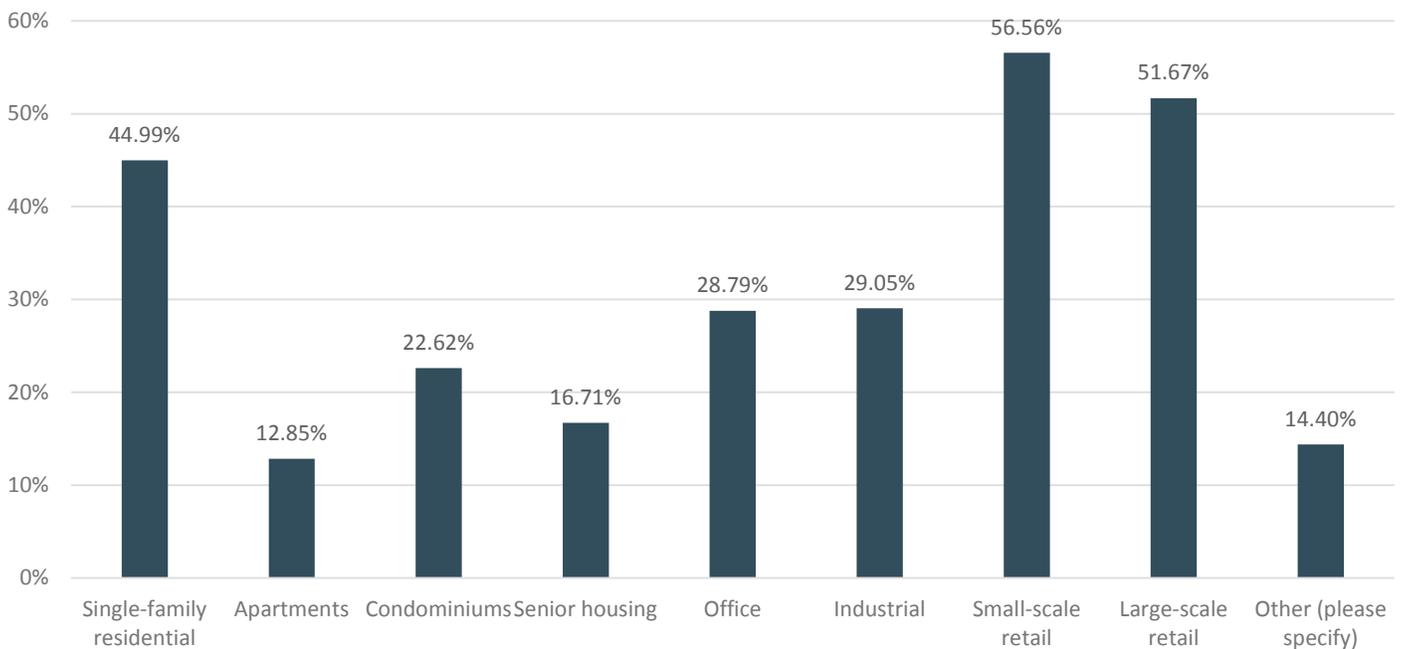

Open-ended Responses

1. Minimal low income housing
2. Affordable housing. Right now the apartment prices are ridiculous That is why all these apartments buildings you build sit half empty after a couple of years being open. It's too expensive to live there. We aren't all rich in Oconomowoc, there are some poor people that live here too.
3. Retail and restaurants
4. Holding criminals accountable
5. Less traffic
6. Restaurants and retail
7. small town feel in the downtown area.
8. Shopping
9. We need a dump or place to take refuse
10. Downtown

- 11. Quiet, rural type quality of life
- 12. Friendly and open community
- 13. 2
- 14. Proximity to family
- 15. Downtown bars/restaurants
- 16. Still has a small town feel
- 17. I enjoy the cultural opportunities (art festival, OAC, band shell), access to local businesses, love my library. We are still a small city.
- 18. used to be less people & traffic
- 19. I like the downtown area
- 20. Save the old buildings
- 21. Family connections

Question 11: Where would you support a growing tax base to maintain existing municipal services and quality-of-life amenities?

Answer Choices	Responses
Single-family residential	175
Apartments	50
Condominiums	88
Senior housing	65
Office	112
Industrial	113
Small-scale retail	220
Large-scale retail	201
Other (please specify)	56
Total	407

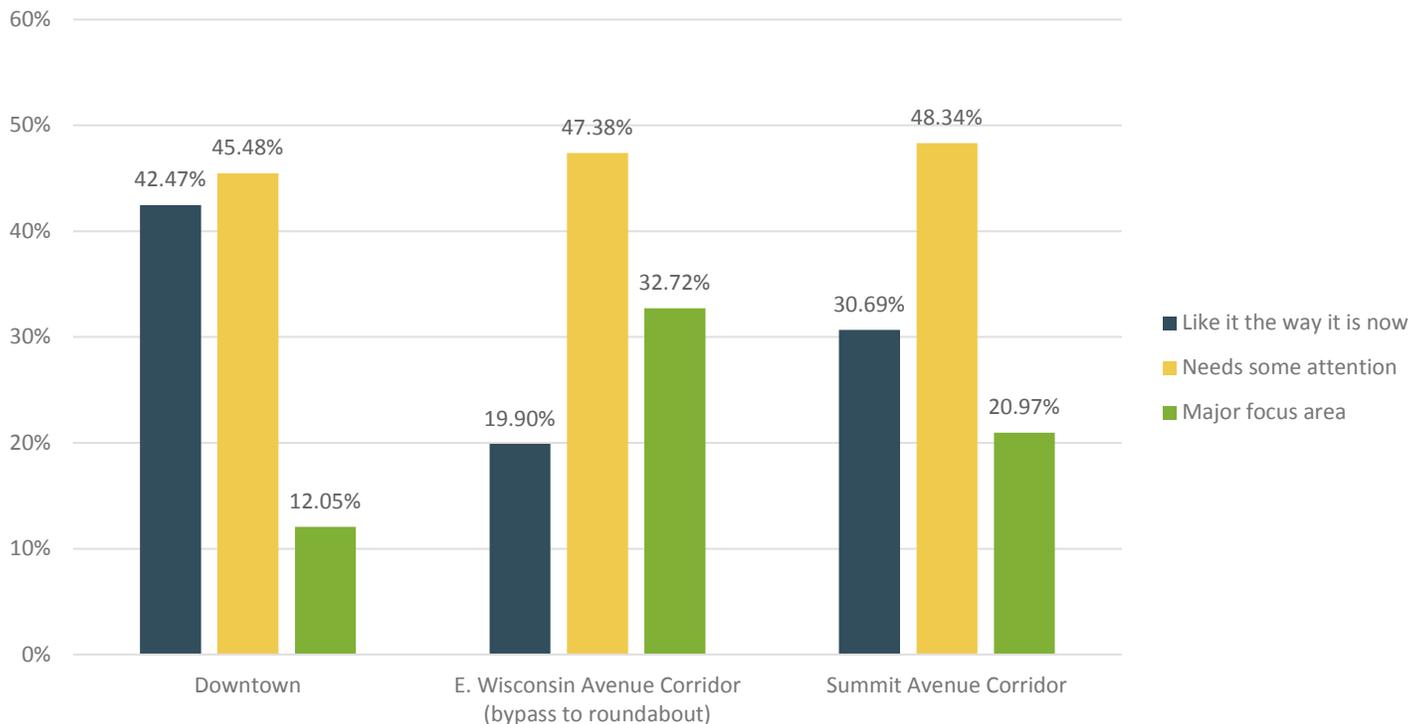

Open-ended Responses

1. ?retired
2. ALL - But in zoned areas established zoning area and let the markets determine. No 30 story high building at this time.
3. No more condos on the lake
4. seek balance and compatability
5. No more "high rise" buildings close to the lakes like the one across from St Paul's lutheran church.
6. Keep the quaintness of down town. (Think Lake Geneva, Galina ...
7. Better money management is needed
8. Expand Pabst Farms retail
9. None
10. Low income housing
11. More police and other safety services
12. Perhaps a movie theater
13. Parks and Recreation: Fenced Nashota type dog park.
14. Large-scale retail where appropriate (e.g., Pabst Farms area)
15. No need to continue growing
16. apartments and condo's that are not right on the lake.
17. Tax churches
18. Rental properties
19. No more large condos with no green space
20. Special Assessments
21. please - no big box stores and gigantic parking lots.
22. No More Apartment Buildings Please!
23. Need a facility like Princeton Club
24. Not sure
25. Corporate center development
26. AFFORDABLE senior apartments and living
27. Park improvements. Skate park?
28. Too vague of question
29. Stop trying to make Oconomowoc a Brookfield
30. Recreational opportunities for children ages 10-18
31. We are going to grow too fast and it will kill the small-town community feel.
32. Not sure what this question means
33. I don't see the value of increasing tax base as expansion just creates more expenses (e.g. more schools, larger roads, expansion of services.).
34. Better upkeep of roads
35. public transportation
36. If it's only to maintain, then no additional uilding needs to be done. To grow the services, then industrial outside of the downtown area.
37. Legal medicinal marijuana!
38. NO MORE CONDOS!!!!
39. None
40. With thoughtful, collaborative long term planning
41. NOT condos!
42. Restaurants

- 43. I rather have a reasonable tax increase, versus more condos or large-scale retail
- 44. Affordable apartments
- 45. Build a community pool like HCrtford or a country Springs indoor/outdoor pool that can host parties and swim lessons for kids.
- 46. PLEASE STOP WITH THE CONDOS!
- 47. 🤔
- 48. Do not support current growth initiatives which have put us in a terrible position
- 49. nicer scale retail!
- 50. Affordable housing
- 51. Not sure
- 52. Stop giving TIFs to big corporations
- 53. Vertical mixed use development that compliments areas close to but not on the lakes.
- 54. More residential bleeds tax dollars...we need office and industrial and commercial to generate tax dollars
- 55. restaurants
- 56. If it's only to maintain then taxes don't need to increase. If you're going to improve them then I'm okay with it.

Question 12: What are your feelings about redevelopment in the following areas?

Answer Choices	I like it the way it is	Needs some attention	Major Focus Area	Total Reponses
Downtown	155	166	44	365
E. Wisconsin Avenue Corridor (bypass to roundabout)	76	181	125	382
Summit Avenue Corridor	120	189	82	391

Open-ended Responses

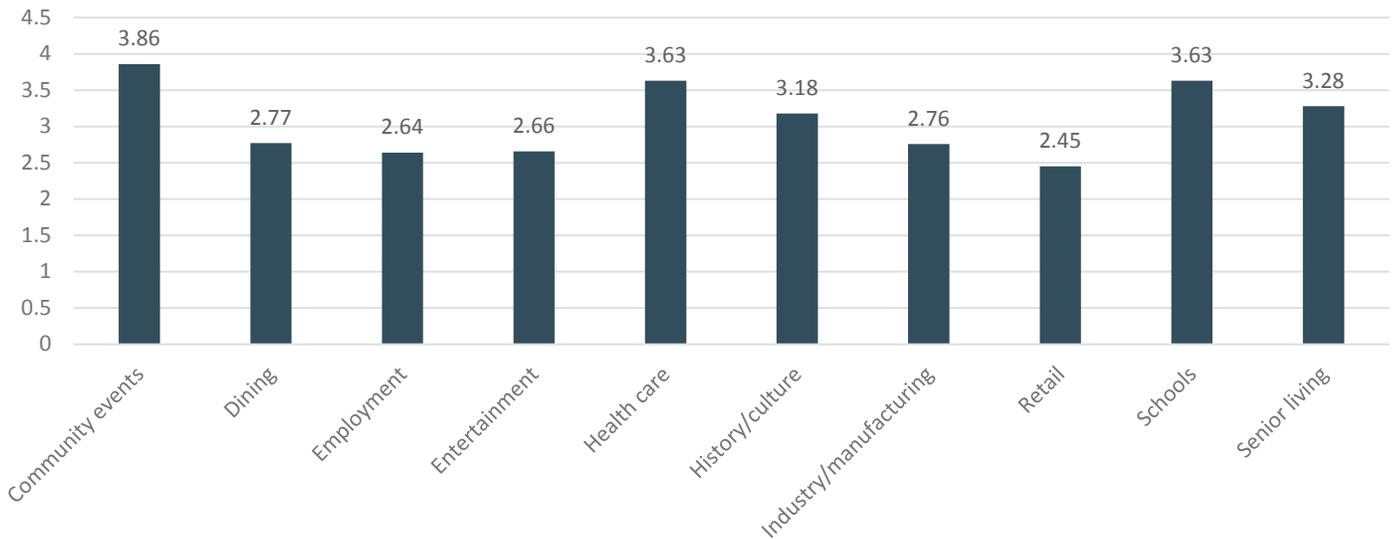

1. no more huge condos
2. No more condos on the lake
3. A small scale grocery store in downtown area
4. no low income housing, please
5. Fiberesin is an eyesore; more views of Fowler Lake.
6. Summit ave is far too urban. It's like Brookfield's Bluemound road. 'Tis not for walking.
7. No more condos !! Out of towners do not know where to park, and locals are running out of paces to park.
8. Bring in more retail and restaurants!
9. The areas as you approach downtown all should be evaluated. From lorelebergs on down. Need more restoration of buildings. Put the city Christmas tree in the village green center and add more lights to it.
10. East Wisconsin ave. corridor. Would like to bring to attention that a good number of properties have Fowler Lake frontage behind the buildings. This needs to be cleaned up and have an walkway or nature trail. What a waste of our Natural Resources right in our city.
11. I thought when you were upgrading the hwy 67 summit avenue that you were going to put a big roundabout there and take out the BP and the two lights in that area. I was disappointed that you still put up those two lights so close together. People race through those intersections even though it is suppose to be 25mph.
12. Must drive to Delafield or Watertown due to poor retail
13. Please update and cleanup E. Wisconsin Ave. It is not reflective of the quality of our community.
14. If the condos are selling, then we must need them. So build if they sell.
15. Businesses have a difficult time staying open, between Whitman Park and Target is a hot mess, Kmart is really the only option for a big box store and it's grossly understaffed.
16. Needs lights, way too dark evening driving
17. The subdivision off of Summit need more attention. Hertiage Hgts has sewer issues and after Summit was redone City has done a horrible job of maintaining the green space.
18. Too many stop lights, takes 10 minutes to get from downtown to Hwy 94
19. More restaurants but not duplicates of what we have now.
20. The new construction blocks the views of lakes, Major loss the community
21. Move city hall to the old Sentry with condos and a park
22. A mural or landscaping by fiber resin building would improve Eastern entrance to the city.
23. I would try to limit Tractor Trailers from going downtown...
24. I understand why the city has allowed the recent "high rise" residential developments in the downtown area (\$\$\$), but they have certainly dramatically altered the anesthetic of Oconomowoc. Please be sure to take a well-rounded approach to development that prioritizes natural space and a community mentality.
25. Too many condos downtown/on the lakes!
26. I love the old town feel and character with Oconomowoc, but love the new shops going up that keep the old character and add a few modern/industrial touches
27. Housing downtown is enough. Needs beautification w focus on non-red brick architecture
28. The hwy 16 entrance to downtown needs improvement
29. No more atrocious condos blocking the view of our beautiful lakes
30. Move the PD to Sentry find a developer for Olympia
31. Do not need to redo every building
32. Pabst farms needs big box clothes stores
33. I don't like the condos downtown however.
34. The downtown needs to continue to be preserved as a treasure, not developed for big ugly buildings that block the views and sunshine
35. Would like to see the Thackeray trail expansion

36. Too many vacant businesses and buildings
37. Please work with property owners to maintain/improve buildings
38. More pedestrian & bike friendly improvements
39. I appreciate the bike paths that were added to HWY 67 and to summit ave. If you could add a bike path on the E. Wisconsin Corridor that would be great too. There is also a big dip right by the manhole cover by the BP station, when driving west-bound. I usually swerve to miss the dip but fixing it would be a better long term solution.
40. Downtown has done well and is used as examples across other municipalities. E Wisconsin needs to have similar focus as the downtown and should be a continuation of those efforts. Summit ave, specifically the area around Olympia and the Kmart shopping center has a great opportunity for development.
41. City needs a firm 5 yr. strategic plan
42. Not sure if there's anything the City can do about Fiberesin (spelling?) but it's really an eyesore.
43. Wis Ave front lot just east of City Hall -major focus
44. Silver Lake Street Area
45. preserve open space on Summit Ave, especially between Pabst Rd and Ocon Parkway. The wetlands are critical for recharging stormwater, trapping soil and pollutants washed in from Hwy 67, habitat. Keep this land open!
46. please maintain Oconomowoc's charm and stop adding ugly condos. The downtown area is becoming ugly.
47. Some attention and updates needed but don't lose the charm
48. Needs more restaurants and retail, including upscale shopping.
49. No more condos!!!
50. No more banks or gas stations
51. No more massive condo projects, especially on the lakes
52. Downtown needs a parking structure close by to support businesses
53. Downtown Oconomowoc has lost a lot of its small town feel and charm due to all of the outrageously priced condos
54. Fleet Farm has helped. Miss living in Waukesha for all the shopping and conveniences.
55. The Olympia area has great possibilities to address useful Green space such as park, county golf course, community gardens plus living areas that are planned as a community such as Greendale. No more subdivisions or condos. And no more curvey roads. Let's get back to grid blocks like Milwaukee that share the traffic rather than protecting the cul de sac owners.
56. Speeding is out of control
57. Pabst Farms???
58. The Summit Ave. corridor is fast becoming another "Bluemound Rd" I think we have the opportunity to do better.
59. Less stop lights.
60. Old Sentry store area off Summit needs attention. Downtown parking is a big problem. New construction is not complete and these buildings and removal of public parking spaces will be a huge issue-and detrimental to current businesses and consumers.
61. Leave everything alone!
62. NO MORE BANKS OR GAS STATIONS
63. Stop knocking down old historic buildings and stop building view blocking condos! Such a disappointment when another old building is destroyed. The roundabout area needs help.
64. Olympia area good place for police station, movie theatre, rec potential on hill (like in New Berlin) and low cost apartment
65. Bypass really needs turn arrows to improve safety coming out of new development areas. More retail and restaurants on the summit corridor
66. No more on Summit.
67. Downtown has improved so much
68. I feel there has already been too much growth too quickly. I would rather you hold off on encouraging new construction and see what the effects are of what has been developed. Also, the economy is very vulnerable (spelling?) right now. I rather see empty buildings filled then new construction. On E. Wisconsin, I would just like

- to see it cleaned up more, beautified versus new condos, etc.
69. Summit avenue if it includes area between Olympia to Kmart needs ton of attention and then George Webb's to sentry in town
 70. ??? Don't understand the questions
 71. NO More condos PLEASE!!!!
 72. Way too many ugly tall buildings downtown
 73. The Kmart mall and Olympia make that area look trashy. It would be nice to have developers come in and improve that area. Especially Olympia. That's an eyesore.
 74. Could use a 2 story parking structure behind Crafty Cow, etc., in downtown. On Summit avenue, the area from KMart to Culver's needs attention.
 75. bury power lines along Summit
 76. Focus on parking downtown. Focus on Wisconsin Ave Corridor asthetics (landscaping, trees especially by Fiberesin). Get rid of delapatated houses along there too. Summit Ave Corridor needs more businesses. Olympia needs to be reimaged. Pabst Farms needs a shot in the arm.
 77. Downtown is a draw and center of the community, but avenues leading in need some of the attention too. They should be clean, natural and walkable!
 78. Ditch that awful Kmart!
 79. This area is ripe for development so very close attention how that is done in such away that everyone in the community can enjoy the lakes, and public places is essential
 80. Stop adding huge condos
 81. Better lights to stop all the accidents
 82. strip malls on west side of summit avenue main area that could use some attention and the Olympia Resort area
 83. Housing downtown is dumb idea. Use this area for business and not housing. Wasted opportunities
 84. Herro's need to improve their property

Question 13: Promoting Oconomowoc and its economic development is important to the community. Please rate the following:

Answer Choices	Poor (1)	Fair (2)	Good (3)	Very Good (4)	Excellent (5)	Weighted Average	Total Responses
Community events	0	18	104	190	84	3.86	396
Dining	32	111	173	70	8	2.77	394
Employment	28	124	181	39	3	2.64	375
Entertainment	26	145	165	50	7	2.66	393
Health care	7	28	128	173	59	3.63	395
History/culture	13	66	173	114	24	3.18	390
Industry/manufacturing	14	104	212	38	2	2.76	370
Retail	51	155	151	38	0	2.45	395
Schools	5	33	118	172	56	3.63	384
Senior Living	12	41	180	113	29	3.28	375

Open-ended Responses

1. No more senior living complexes
2. New Senior Center would be good
3. Losing history; retail is nothing usable; activities and sr housing unaffordable.
4. A good little city is a bunch of things. Only a thoughtful government can keep matching needed changes with responsible improvements. Growth is not always an answer.
5. No More Condos Downtown !!!!!!!
6. I'm saddened that Presbyterian Homes and Services is allowed to build in such a beautiful, natural area on Lisbon Road. I moved here because of the beauty of Oconomowoc, not to see continued building and concrete all in the name of progress.
7. Let the more of chain restaurants come in near Pabst farms. And the area by pig wig is in deperate need of businesses to support new growth.
8. Oconomowoc needs to focus on bringing people in from the outside. We need some popular restaurants here to bring them to our area. NOT expensive apartments. You should really put

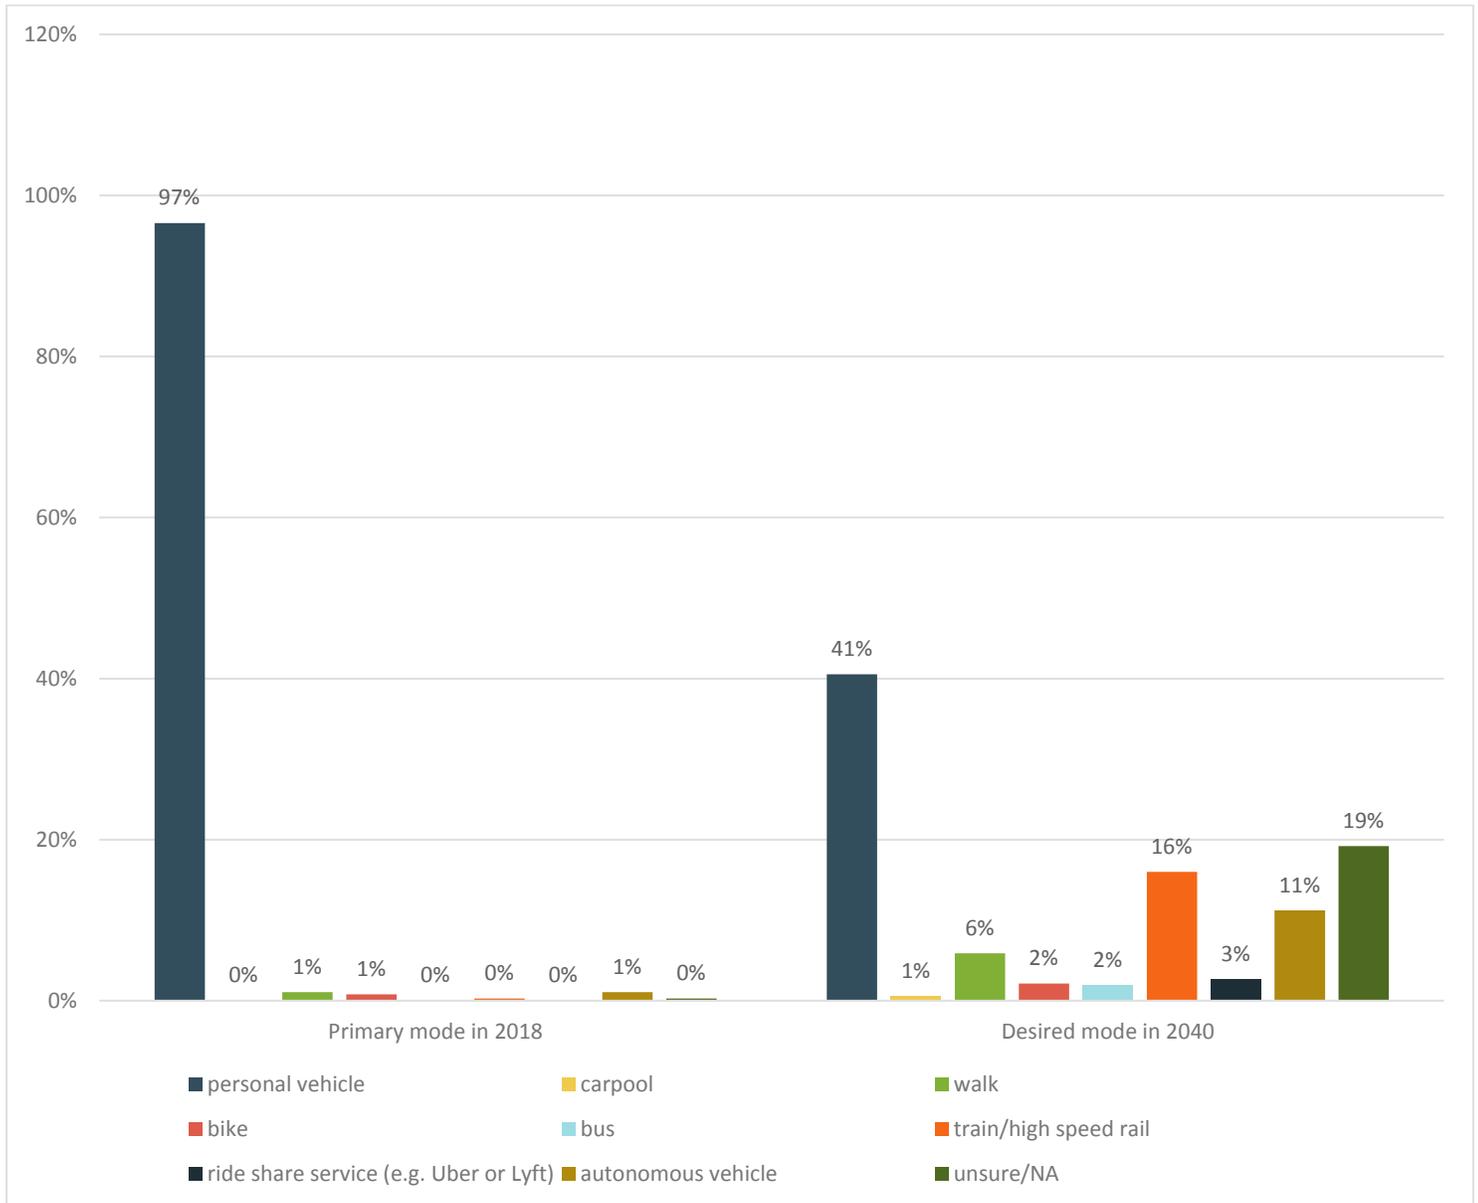

Olympia back to a resort/conference center. How are you going to get outside people to stay here if you just make more apartments. We have enough apartment buildings that are half empty because the rent is too high. Bring in family friendly restaurants something other than Chinese or Mexican. How about Applebees or Chick-fil-A. Oconomowoc does not listen to the people very well. Why do we need more empty apartment buildings. You have wonderful fun activities here why not have a resort/conference center to bring in more events. The people coming to these events will buy food and gifts at our stores. I am disappointed in Oconomowoc getting rid of the conference center at Olympia

9. Schools need trade classes. Mfg, auto and building
10. Need more high paying jobs -not more over priced condos
11. Would be nice to have a large scale retail provider (Target, Wal-Mart, etc) as well as some additional entertainment options (theater, etc)
12. More higher-end restaurants would be great!
13. This question is confusing, what are you asking. How has been accomplished or what should be focused on
14. Please keep downtown developments at current heights; otherwise a walled-in tunnel effect happens.
15. I do not support major retail outlets/chain stores in Oconomowoc. I left blank the lines I have no knowledge of and could not rate
16. Too many sr living and not enough focus on down town/ restaurants
17. Condos and senior housing could be considered complete in the City. Surely the City must be getting close to maximizing the density in the Comp Plan for housing of these types.
18. Need more variety of restaurants
19. I'm not qualified to answer several of these, knowing little about our senior living development. I'm also not sure how we do with industry/manufacturing, but I do NOT want that in my neighborhood any more than it already is (I highly dislike the sound/pounding from D&H)
20. More emphasis on historic/small town feel of the area
21. City needs new talent in top city positions too much same folks making all critical decisions and ? There background to make such decisions.
22. I think the community is saturated now with senior living facilities
23. what about tourism? The local bike trails offer great reasons to draw visitors. Also leverage our midpoint between Milwaukee and Madison - we should be able to offer a diversity of meeting places in our community. I'm on multiple state-wide boards and we are always driving to MKE or Madison, why not meet in Oconomowoc?
24. Need better shopping, Chain hotel in the Olympia area like a Comfort Suites, etc.
25. small town with growing pains
26. Include area merchants in the German fest activities. Give these retailers a chance to share in the event's profits and abilities to draw in more people. Current vendors at German fest are vary lacking.
27. Need more grocery, dining, and fast food options.
28. This question is confusing. Not sure I answered it with the intent desired
29. Need good downtown shopping and more parking. No place to park means less people able to shop
30. Need a movie theatre and grocery store within walking distance of downtown
31. You need an option for no comment.
32. Need more affordable senior living areas.
33. Different kinds of dining are great; we tend to keep adding the same thing, especially in terms of fast food.

34. You needed a not applicable or 'I don't know' option in Question 13.
35. DO NOT DESTROY ANY MORE OF OUR HISTORY FOR THE HIGH RISES. WE ARE LOSING OUR HISTORY ONE OLD HOME, BUILDING AT A TIME.
36. Rec department sucks. They basically leave all development of kids programming to private clubs. No emphasis beyond tennis and swimming lessons, both individual sports. No rec soccer, baseball, football, softball, etc. They should be working with schools to develop those programs so they are available to larger community. Seems like private Y and private clubs are the only game in town, and they're too expensive for most families. Coordination can be done with townships and villages. There is poor coordination between neighboring communities within the school district. Shared municipal court and joint fire/rescue services are proof that it can work really well. Why isn't rec department doing that?
37. The beauty of the area is what makes it unique. Stress this and do not overdevelop.
38. More upmarket shopping
39. I think a movie theater would be a great addition
40. Schools were excellent 20 years ago when we moved here. The steady decline is alarming.
41. I think there can always be more cultural events, and I appreciate the historical significance of our city - could there be more of an emphasis here? If I don't have an opinion on an area, I am leaving it unanswered.
42. I would love to work here and not commute. Not enough high paying jobs for bachelors degrees.
43. It seems like so many of the recent developments have been for seniors and there maybe an over supply in the near future. The community should have a balance of homes and condos. I favor developers and residents who support the community and tax base, condos and homes over apartments
44. Upon the completion of the work done on roads in the city there is a momentum of retail space that is going to continue to make Cooney that place to visit.
45. Would love to see a Trader Joes and/or Target in the area
46. Stop adding condos
47. need affordable senior housing
48. Shorehaven owns Oconomowoc seniors for a price and do glad we have other options now w better quality for seniors
49. No more focus on housing

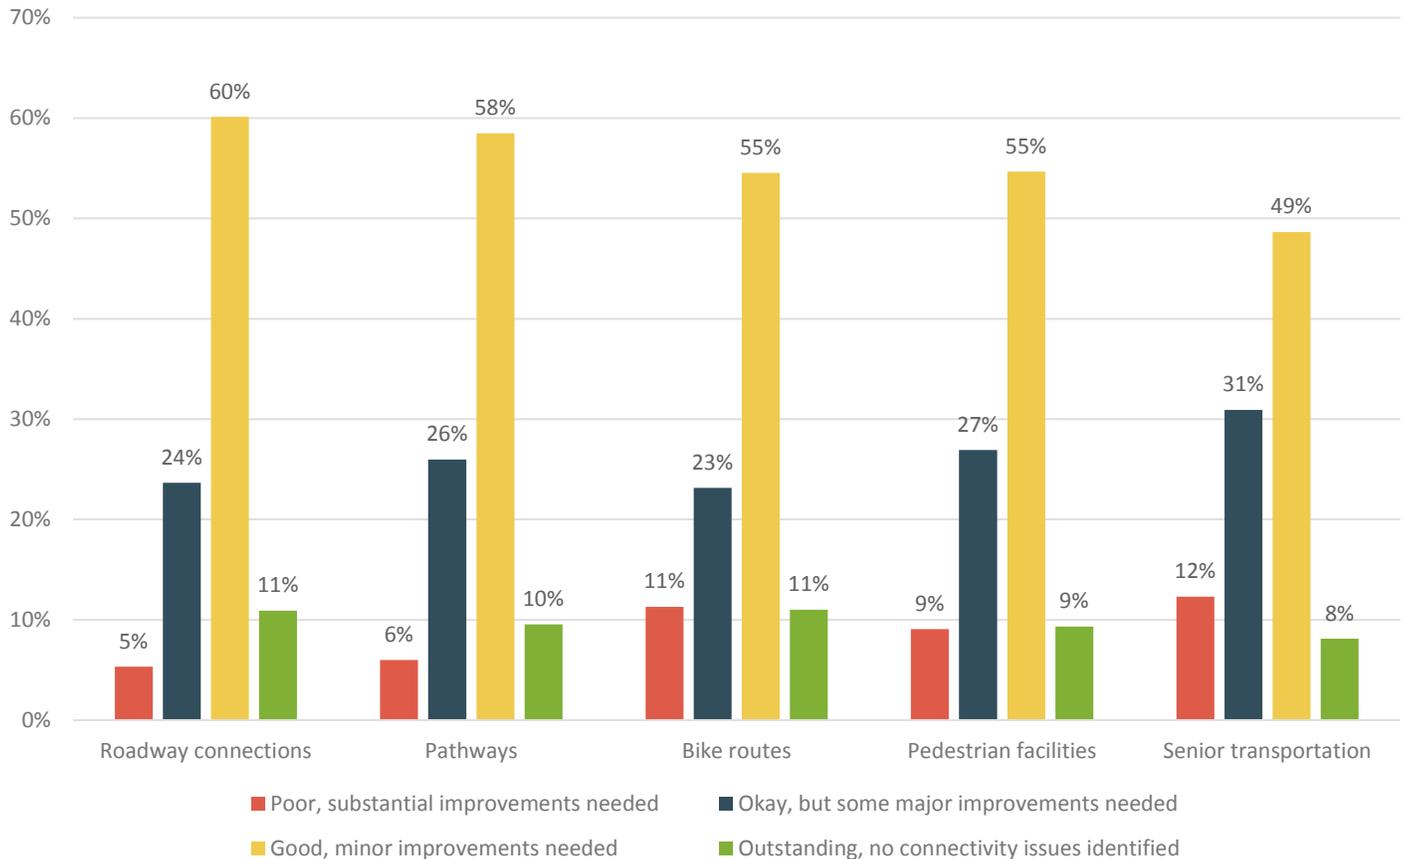

Question 14: Select your current and desired mode of transportation in 2018 and 2040.

Answer Choices	Personal Vehicle	Carpool	Walk	Bike	Bus	Train / High Speed Rail	Ride Share	Autonomous Vehicle	Unsure
2018	367	0	4	3	0	1	0	4	1
2040	152	2	22	8	7	60	10	42	72

Question 15: How do you feel the City does with connectivity of the following?

Answer Choices	Poor		Okay		Good		Outstanding		Total
Roadway connections	5.32%	20	23.67%	89	60.11%	226	10.90%	41	376
Pathways	6.01%	22	25.96%	95	58.47%	214	9.56%	35	366
Bike routes	11.29%	41	23.14%	84	54.55%	198	11.02%	40	363
Pedestrian facilities	9.07%	33	26.92%	98	54.67%	199	9.34%	34	364
Senior transportation	12.31%	41	30.93%	103	48.65%	162	8.11%	27	333

Open-ended Responses

1. senior rides on weekends needed
2. Thackeray Trail should go through
3. Thackeray Trail connecting route
4. Need parking downtown
5. Bus - public transportation
6. keep up with road repairs, path to pick n save on wis ave
7. Takes forever to get through this city from point A to B; recent improvements have actually worsened the routes.
8. I would repair the streets instead of Thackeray Trail extension. The by-passes are ripe for commercial, and city planning should be ready with what we think is good.
9. Add bike lanes like Minneapolis
10. Crosswalks downtown should be automatic. Requiring pedestrian to push the button is

dangerous. Roads need resurfacing... look around, you can't miss seeing the needs !!

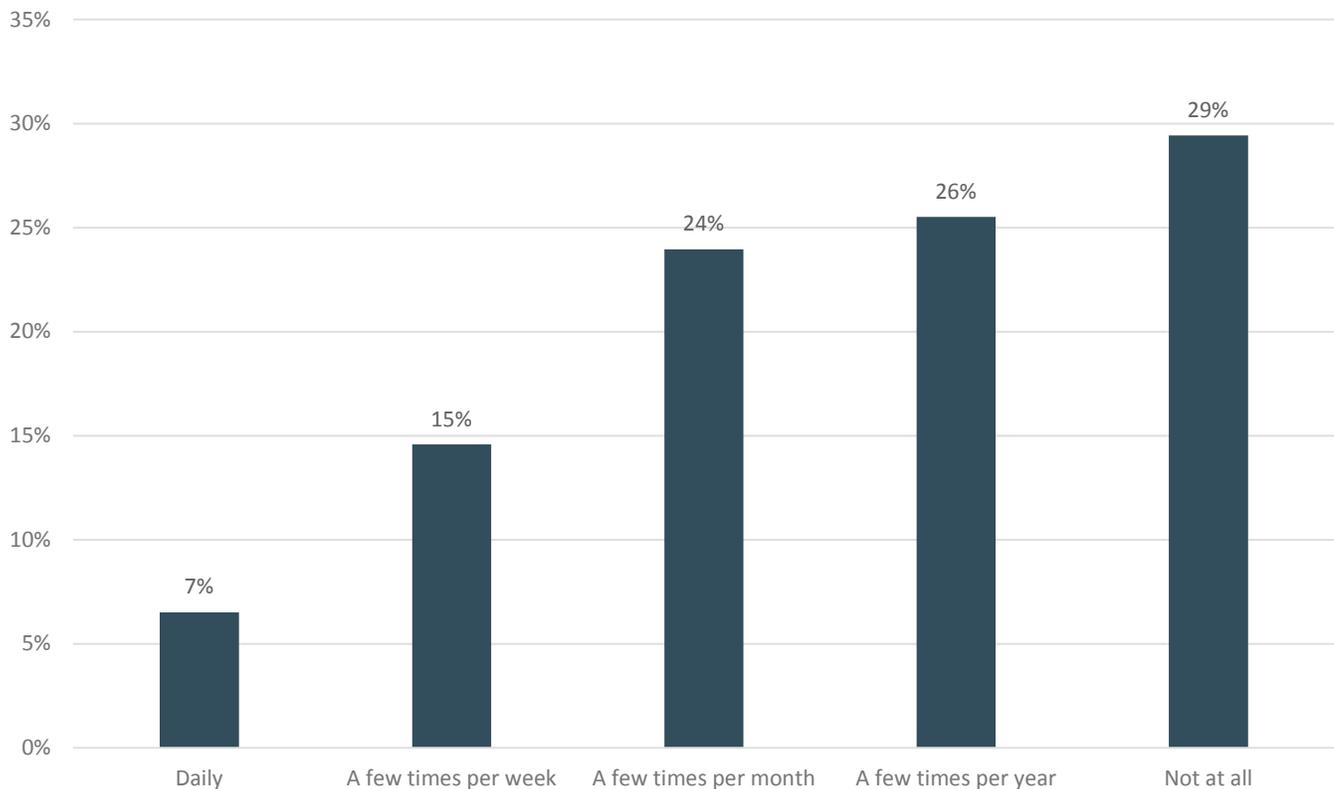

11. Improve bike routes. Add more bike routes. Open up tunnel under HWY 67!
12. Definitely need a bike path that would loop the city
13. I would like to see wider side walks and better night time lighting on the sidewalks - you changed the bulbs but if you walk the sidewalks they are pretty dark - hint you need to space the light poles better, not so far apart. I walk or bike to my destinations in Oconomowoc so I use the sidewalks frequently.
14. Raise speed limit on 67 bypass
15. Orange flags at crosswalks!
16. Highway P north is a nightmare.
17. Is there any way to connect Oconomowoc with Nashotah Park via bike/walking path
18. The new bike paths developed around Pabst Farm area is great! Downtown area is tricky for bikes but not unexpected due to the tight space.
19. Oconomowoc Parkway!
20. A bike lane on all roads would be fantastic
21. Please stop the Thackeray Trail Extension.
22. These questions suck. I'd like there to be more public transport in Oconomowoc. I am not familiar with what "Pedestrian Facilities" refers to, and I'm not familiar with the senior transport situation
23. All city streets need sidewalks. More bike paths to schools and businesses.
24. NA on senior transportation as I don't use it or know anyone that uses it.
25. Need major street improvement program, not nickel and dime fixing but a 5 yr. plan to improve streets not constantly patching roadways
26. connecting north and south areas via path would be nice
27. #14- only offering the choice of one desired mode misses the complexity of transportation. I want to walk, bike, use public transit, rail, and more.
28. If you could just move your city out of Waukesha County I would visit and spend money there.
29. Thackery Rd needs to be extended
30. Crosswalks around schools need improvements for safety. There are also areas where sidewalks could be installed in older neighborhoods.
31. Too much reliance on surface streets for bike paths
32. Silver streak is good but no transport on nights and weekends plus some can't afford it to do everything they need. So I've talked to some walking from pick n save to over by firestation with a bag of groceries due to no ride.
33. road repairs were too long.
34. Repave older roads with concrete or asphalt
35. It would be nice to finish the tunnel under hwy 67.
36. The multipurpose path should extend to the river on concord
37. What senior transport is there?
38. Not familiar enough with the rest to comment
39. Don't know what senior transport options are available
40. DOES THE SILVER STREAK EVEN EXIST ANYMORE?
41. I'm not a senior, but would like to age in place. Seniors answering the senior question should be more heavily weighted.
42. If thackery trail was done it'd be great.
43. I know "connectivity" is an "in" phrase and positions the city towards the "smart city" concept, the city leadership should be transparent about this. I strongly disagree with the so-called smart city concept. I do believe that a rail system to downtown would be a plus.

Regarding question 16 - I enjoying walking every day to be in nature and to be contemplative -
 - not for it to be task oriented ie: walk to work, shop, etc.

- 44. Sidewalks need some work...ie: hard to get the stroller around the lake
- 45. Lisbon Ave. is a huge mess and hard on cars with its many dips, ruts, etc. Would really like to see it repaired from Lake to the bypass. PLEASE! I had to buy and use a neck brace for all the bumps and dips, causing rough riding.
- 46. Need to finish tunnel under 67 for bikers and walkers. Need to add bike lanes to streets around town.
- 47. pedestrian lane on roads is dumb & unnecessary
- 48. Oconomowoc is desirable because it is a walkable community. Continue to enhance the walkable, cycling and mass transit options will only help to maintain a high standard of quality of life for the community
- 49. Cooney is a vibrant community that has such great potential and should be a leader in all aspects of connectivity. I believe there is room for improvement and look forward to future...
- 50. Silver streak is outrageous tho it's all Oconomowoc has so they keep their monopoly
- 51. City taxi service needed

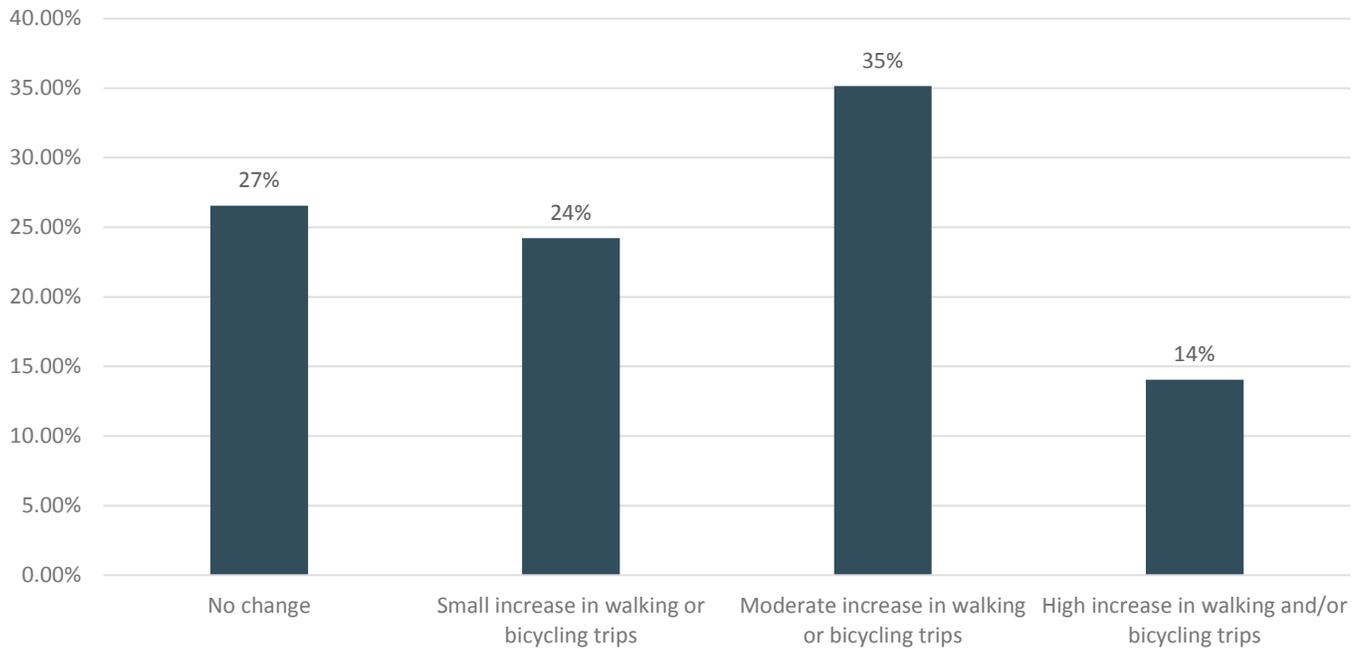

Question 16: How often do you walk or bike for trips to work, shopping, etc.?

Answer Choices	Responses
Daily	25
A few times per week	56
A few times per month	92
A few times per year	98
Not at all	113

Question 17: If safer, more convenient, bicycle/pedestrian facilities and connections were installed, how would you alter your travel behavior?

Answer Choices	Responses
No change	102
Small increase in walking or bicycling trips	93
Moderate increase in walking or bicycling trips	135
High increase in walking and/or bicycling trips	54

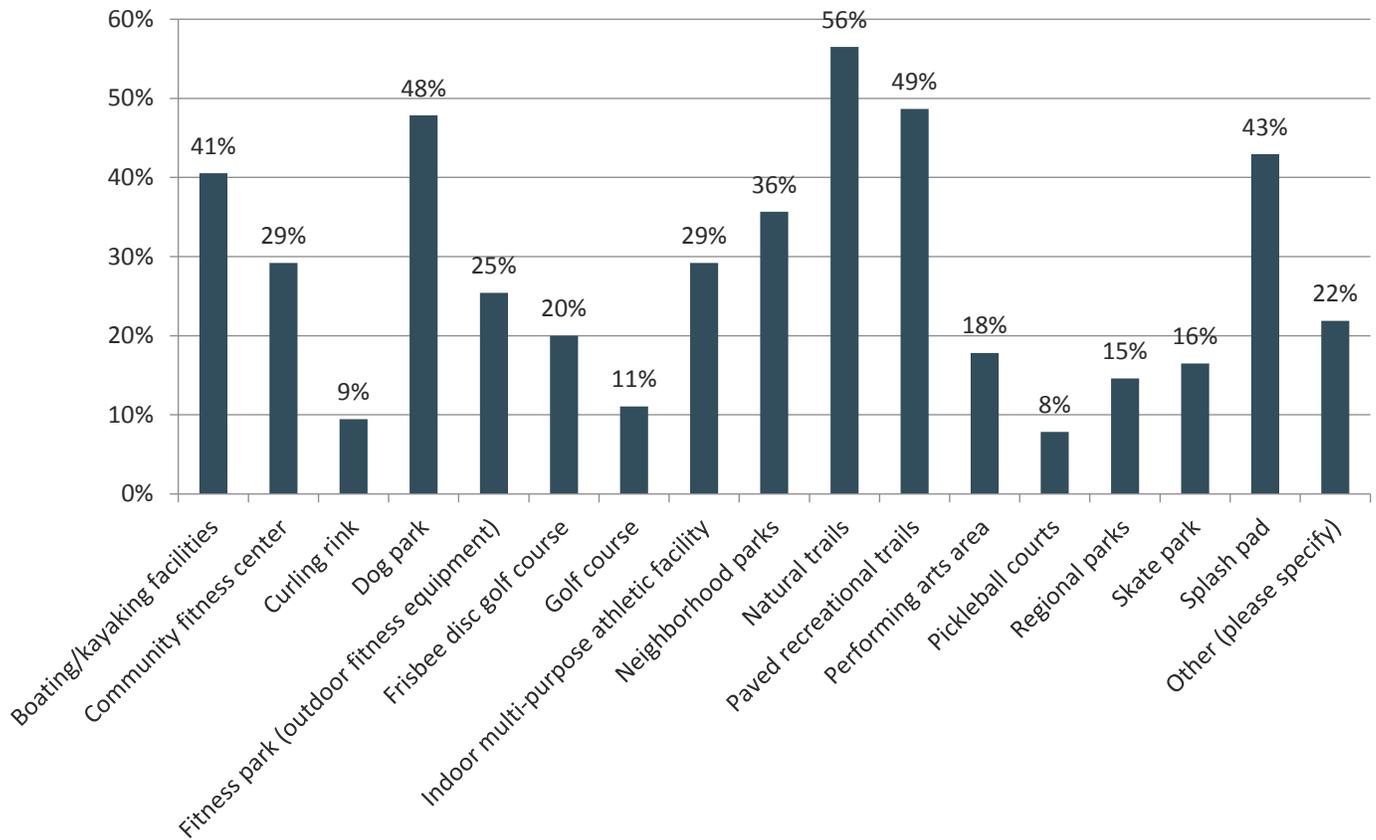

Question 18: Please rate the need for public transit options within or to Oconomowoc.

Total respondents: 360

Question 19: What recreational facilities would you most like to see more in the future? *(select all that apply)*

Answer Choices	Responses
Boating/kayaking facilities	150
Community fitness center	108
Curling rink	35
Dog park	177
Fitness park (outdoor fitness equipment)	94
Frisbee disc golf course	74
Golf course	41
Indoor multi-purpose athletic facility	108
Neighborhood parks	132
Natural trails	209
Paved recreational trails	180
Performing arts area	66
Pickleball courts	29
Regional parks	54
Skate park	61
Splash pad	159
Other (please specify)	81

Other Responses

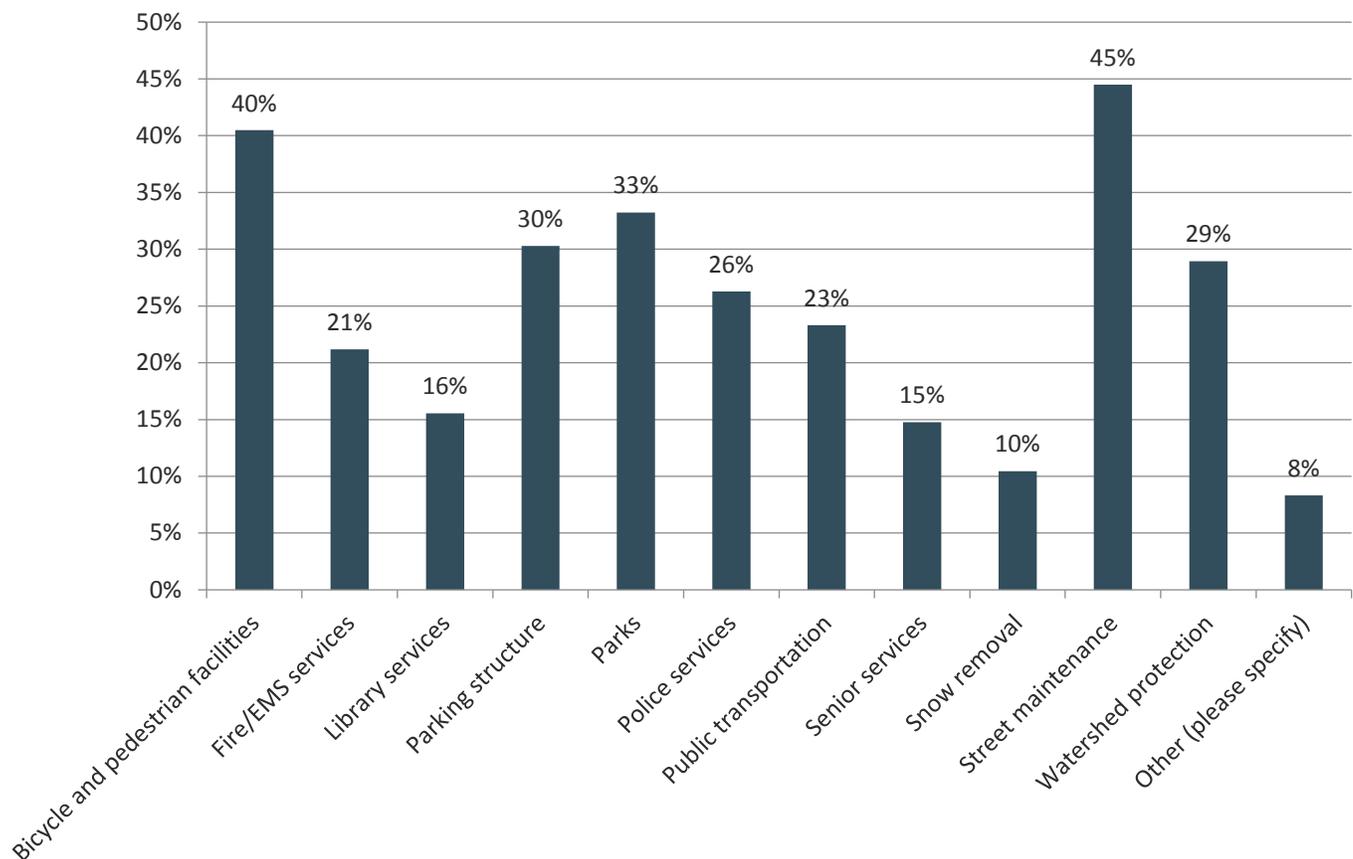

1. Retired - Shorehaven Oasis
2. allow dogs in parks
3. senior center now
4. Senior Center Building
5. driving range (golf)
6. for everyone, not exclusive to Oconomowoc
7. YMCA is wonderful at Pabst Farms
8. swimming pool for public
9. Hill at Olympia turned into fitness trail. More drinking fountains along walks.
10. Present Community Center could several of the listed activities.
11. Botchi ball court, NO dog park !! Maybe some dog bag stations and or fines for those who leave thier dog shiat laying on the sidewalk
12. How about encourage a wilderness like place for a family to go not costing tax payers a penny.
13. TENNIS courts. What happened to the tennis building promised. Please bring Olympia back with its indoor pool and golf course and ski hill What a better way to bring people in from other cities to our are to purchase at our stores. People come from all over to shop at ben franklin. Because they have what other people don't have. We need that in the city of Oconomowoc. Think about it.
14. We have many options already
15. Hockey arena
16. Ice skating/ hockey rink
17. Ski hill reopened, activity center for kids
18. Skate park for sure!! What the heck is pickle ball?
19. More tennis courts
20. Outdoor public pool, more indoor activities like a bowling alley or arcade
21. Public swimming pool
22. Fowler lake area old sentry for a new city hall and park. Move the police station to all of city hall
23. Allow dogs in all parks
24. Improved access for kayaks at Oerding park to easily get in and out of the river.
25. Mountain Bike Trails and biking trails to connect subdivisions.
26. Ski Hill
27. bike lanes on all major roads
28. Bowling Ally
29. A huge indoor volleyball facility with a bar. A adaptive playground.
30. Mtb trails
31. Ice skating rink
32. Concert venue
33. Pool other than ymca
34. Please don't add a skateboard park
35. Waterpark
36. Community indoor walking track would be great!
37. Need futuristic plan, not next 2 years
38. Pool
39. need more places for kids to play and hang out

40. Downtown Restroom in Green Space
41. None. We have enough of all these here
42. Don't we already have these?
43. Mini golf course
44. locked area to store kayaks and canoes adjacent to Woodland and Park beaches
45. More accessible, fenced dog park
46. More community rooms for about 50 people
47. Tennis courts
48. Many of these already exist.
49. Something geared towards children ages 10-18
50. Community outdoor pool
51. Community Pool like Watertown
52. Splash pad on the northern end or anywhere within Oconomowoc would be great sooner than 2040.
53. Indoor/outdoor pool
54. Indoor tennis
55. We have plenty of parks, a lot of young adults would like activities too!
56. Oconomowoc has done a fairly good job in this area.
57. Not sure what people would use. A splash pad at Imagination Station would be nice and has been thought about I believe.
58. Just painted bike lanes on roads which are wide enough would be amazing.
59. Downhill skiing
60. Two votes for skate park! Offers unique opportunity for teens. Could be small/beginner to lessen liability concerns. Ice rink would be excellent, could be used for curling as well, and good complement to outdoor opportunities. Swimming pool developed in coordination with school district so that we can actually have a team. Hartford's outdoor model might reduce pressure on beach in summer time, but indoor pool is needed for development of competitive aquatic programs. We're the only school that doesn't have a pool in our conference, which is why the school district should be involved.
61. None
62. mini-dark sky park that residents and visitors can visit, it has a telescope to view the night sky, and we host astronomers (sp?) and storytellers who talk about the night sky.
63. Splash pad definitely! Affordable options for low to middle class...nature center, bowling center...more places for families to go.
64. Affordable options for stuff
65. An outdoor water park/pool like Hartford for the kids with an indoor facility for parties, like Country Springs.
66. A public pool.
67. Indoor tennis facility
68. LAKE ACCESS!! Silver Lk access is a joke between cops & nasty neighbors
69. Indoor pool
70. Mini golf
71. Community pool
72. Community pool- needed badly!!
73. Aquatic center like Watertown
74. I consider the YMCA to be a community fitness center as well as the downtown community center
75. Roller skating rink, movie theatre, video game arcade (like G arcade in Menominee Falls)
76. With the lakes and natural setting abundant in Cooney it would in best interest of the community to preserve and protect as much of this space as possible
77. A splash pad would be AMAZING!

- 78. fishing area in Blain St park. clean debris from water and shore
- 79. Ice skating rink that has a proper warming house
- 80. Indoor tennis facility
- 81. No idea what a splash pad is but it sounds amazing

Question 20: If the City should invest more tax dollars to improve the quality of public services, which areas should it focus on? (Select up to 3)

Answer Choices	Responses
Bicycle and pedestrian facilities	151
Fire/EMS services	79
Library services	58
Parking structure	113
Parks	124
Police services	98
Public transportation	87
Senior services	55
Snow removal	39
Street maintenance	166
Watershed protection	108
Other (please specify)	31

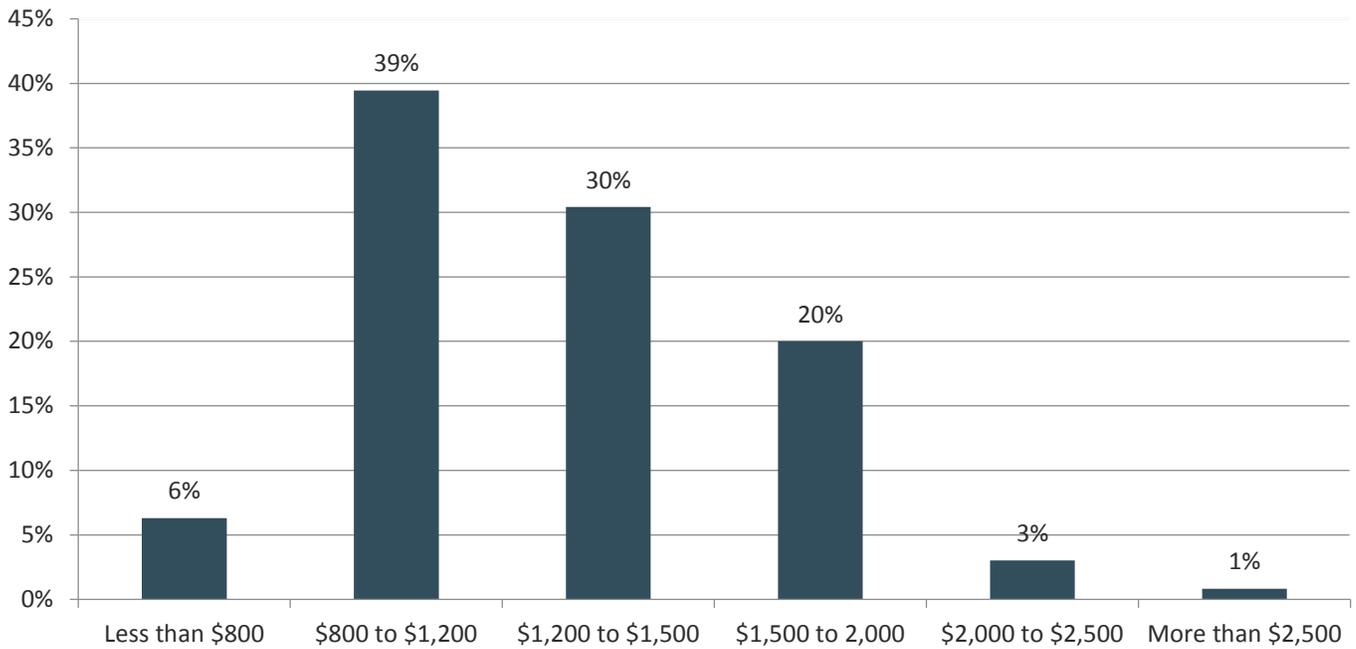

Other Responses

1. good the way they are
2. Need new Senior Center Building
3. Hire more qualified arborists and natural resources staff. Quit hacking on trees or cutting them down unnecessarily.
4. Improve the above but do not increase taxes. Fund through reducing the cost of government.
5. develop with a quality mindset, not quantity driven by money (ie: GREED)
6. Every city has parking issues. Our streets are in bad shape (very bumpy) with a city with so much money. Greenland ave has been very bad for years now, yet still not repaired. Lisbon has been bad for years, they just this week put a patch on the huge dip in the road, really?? its been bad for years. We lived here for ten years before Coolidge ave was repaired. I think Oconomowoc has too many hands in the cookie jar and someone needs to stand up and make some confident decisions. Question; why do you only remove the snow around the board walk sidewalk. and there is no ramp to get down from the sidewalk to the parking lot. Also when the boardwalk gets wet it is VERY slippery. I am a walker and have caught myself from falling many times on that wet sidewalk.
7. Give public works and parks employees a raise because they do a great job and have not had a raise for 7 years
8. Removal of dead trees and invasive shrubs/trees (buckthorn) and better mowing and maintaining green spaces on and off of Summit
9. Accountability of criminals and hold heroin dealers accountable
10. Maybe a parking structure located where the old Sentry store was on WI Ave. locals and visitors could park and walk to downtown.
11. parking lot behind Wisconsin Av businesses
12. leaf collection at the curb
13. TRAIN SYSTEM TO AND FROM MILWAUKEE AND MADISON
14. Sidewalks
15. Better snow plowing of residential streets
16. Public Utilities (old water main, lead laterals)
17. Fix infrastructure
18. Parking expansion downtown
19. A dump or place to take refuse
20. Recreational opportunities for children ages 10-18
21. Certainly we need more parking. A structure would be ugly, and, personally, I don't believe safe in the long run.
22. Rec opportunities, but not necessarily outdoor parks. Our climate needs indoor facilities there seasons/year.
23. None
24. Splash Pad would be AMAZING!
25. Better roads within the city of Oconomowoc, most especially Lisbon north of Fowler Park.
26. More resources to go after the heroin problem.
27. Environment
28. Community pool!!!!
29. Improve lake accesses
30. The increase in senior living centers in and around Cooney and the over all natural settings that are God given in the area it makes sense to provide more ways for people of all ages to enjoy getting around the town
31. Police should have AED's and be trained to use them as first responders.

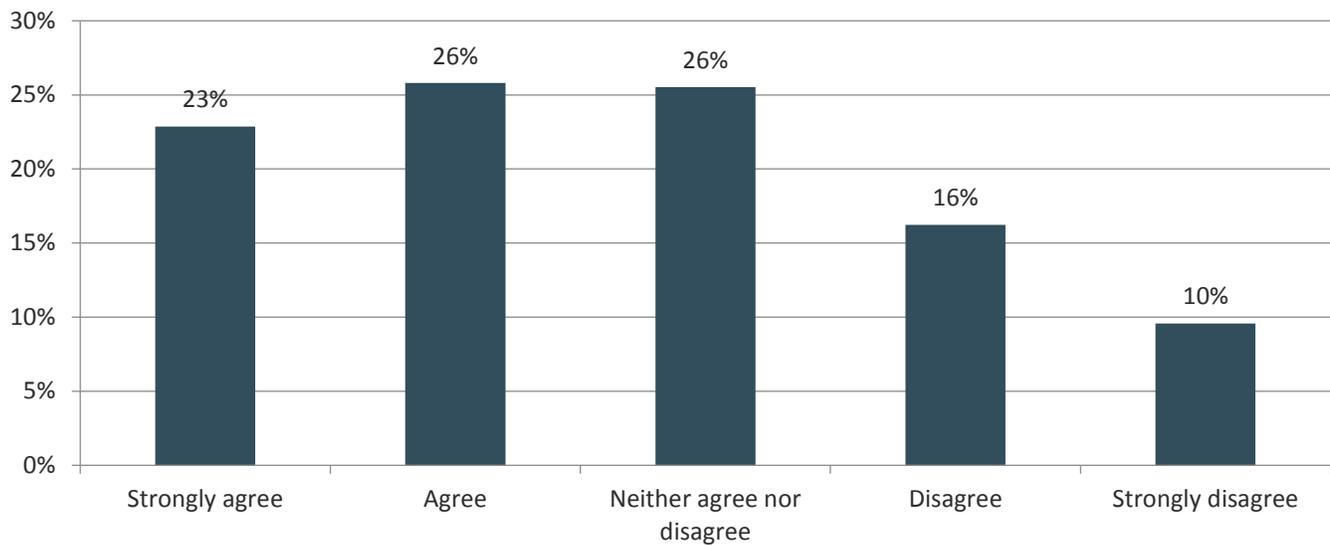

Question 21: An affordable housing payment is usually defined as 25%-30% of your income. In your opinion, what monthly housing payment would be considered affordable for most residents of Oconomowoc?

Answer Choices	Responses
Less than \$800	23
\$800 to \$1,200	144
\$1,200 to \$1,500	111
\$1,500 to 2,000	73
\$2,000 to \$2,500	11
More than \$2,500	3

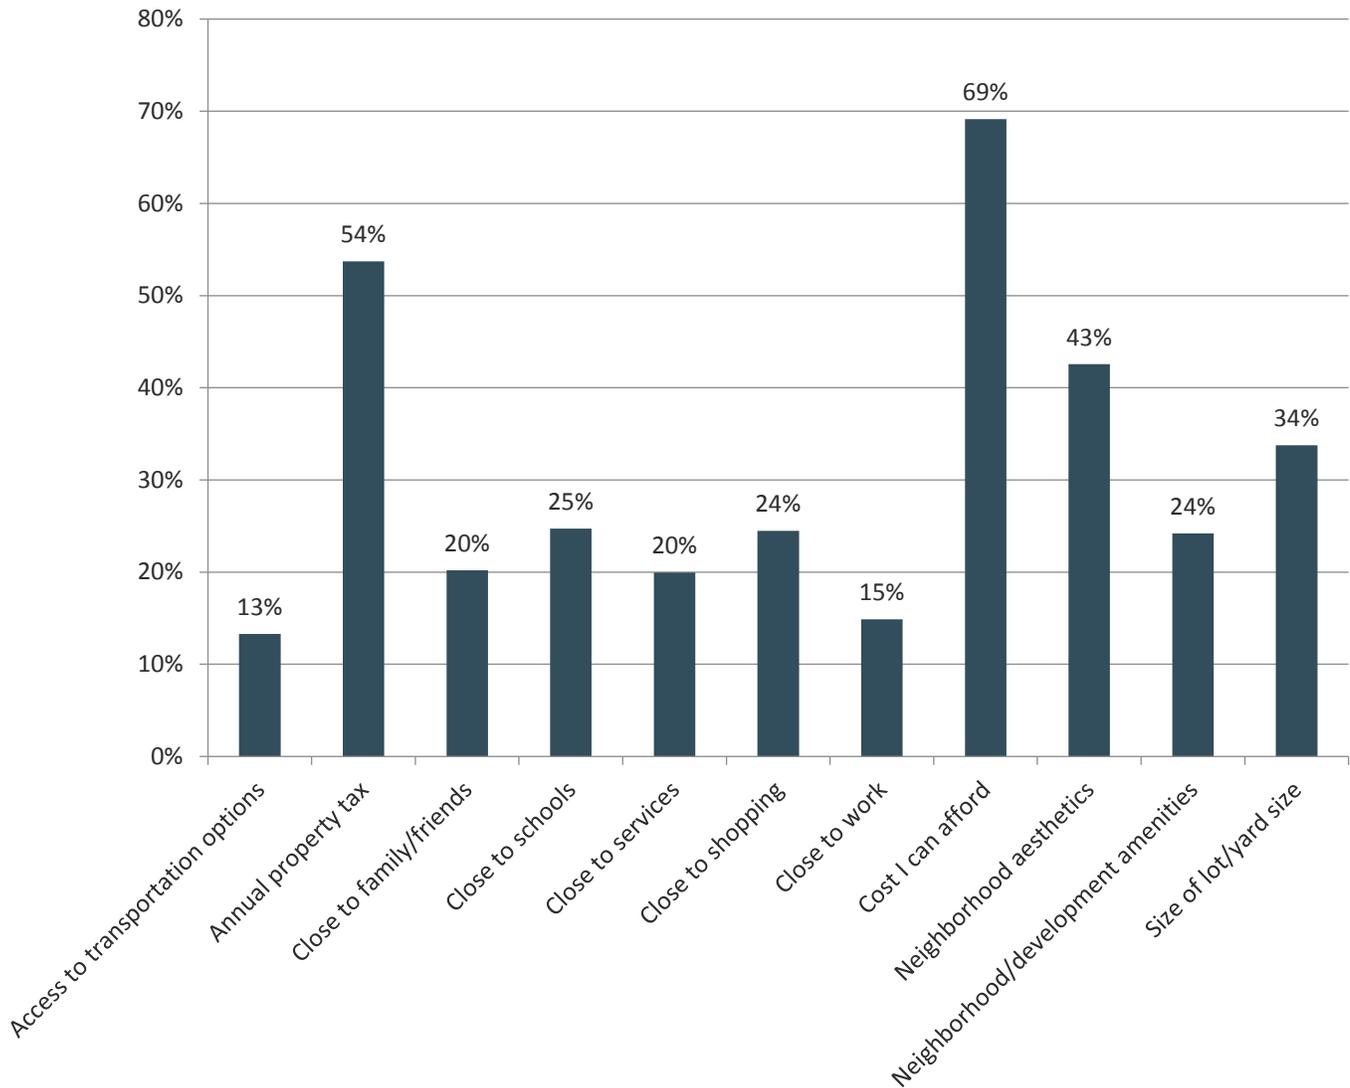

Question 22: Please indicate your level of agreement or disagreement with the following statement: There is a need for more housing in Oconomowoc that is affordable to working families and individuals.

Answer Choices	Responses
Strongly agree	86
Agree	97
Neither agree nor disagree	96
Disagree	61
Strongly disagree	36

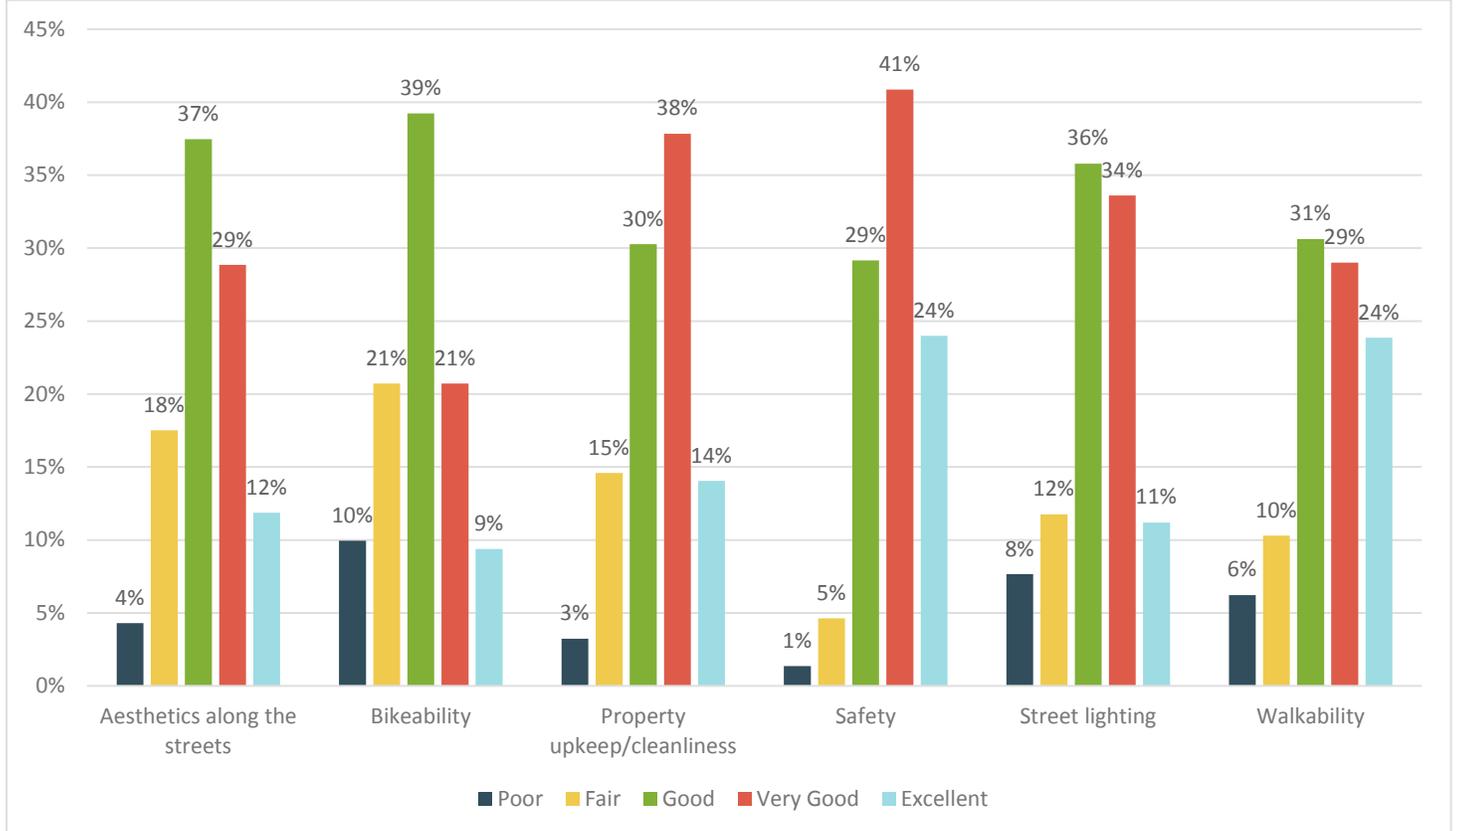

Question 23: If you were moving to Oconomowoc today, what factors would be more important to you when choosing your home or apartment? *(select up to 3)*

Answer Choices	Responses
Access to transportation options	50
Annual property tax	202
Close to family/friends	76
Close to schools	93
Close to services	75
Close to shopping	92
Close to work	56
Cost I can afford	260
Neighborhood aesthetics	160
Neighborhood/development amenities	91
Size of lot/yard size	127

Question 24: How would you rate the following aspects in your neighborhood?

Answer Choices	Poor	Fair	Good	Very Good	Excellent	Total
Aesthetics along the streets	4.31% 16	17.52% 65	37.47% 139	28.84% 107	11.86% 44	371
Bikeability	9.94% 36	20.72% 75	39.23% 142	20.72% 75	9.39% 34	362
Property upkeep/cleanliness	3.24% 12	14.59% 54	30.27% 112	37.84% 140	14.05% 52	370
Safety	1.36% 5	4.63% 17	29.16% 107	40.87% 150	23.98% 88	367
Street lighting	7.65% 28	11.75% 43	35.79% 131	33.61% 123	11.20% 41	366
Walkability	6.23% 23	10.30% 38	30.62% 113	29.00% 107	23.85% 88	369

	Response
1	Travel speed start stop joint meeting crossing
2	Comments: Be sure developers repair W WI Ave where asphalt patch was installed over sewer/water connections.
3	Close parking for access to beach
4	More stores at Pabst Farms replace Brennan's with Trader Joes.
5	The new boardwalk is beautiful! Thank you!
6	Movie Theater
7	Senior Center!!!
8	Consider Senior Center Building
9	I would love to see a Whole Foods or Trader Joe's
10	Keep bikes off sidewalks in downtown area
11	Need new Senior Center Building
12	Trader Joe's come to Oconomowoc would be an asset.
13	train stop between Milwaukee and Madison with stop in Oconomowoc
14	blue zone type of community with a focus on health, well being. a marketplace similar to milwaukee public market, but smaller scale, less condos, more family focus. love the downtown events!
15	neighborhood swimming pools
16	Less urban sprawl; less cornfield developments; more focus on maintaining history and preserving existing buildings, homes and neighborhoods; less tree harvesting; MORE green space; less condos; more green space along lakes; less school development.
17	be vigilant about "run-down" areas. Let developers know how citizens want city to change, if at all. Keep striving for urban balance.
18	No... Not at this time
19	<p>We love the activities downtown. I'd like to see more concerts at the band shell, starting sooner in the spring and longer into the fall. (I hope the new residence are aware and don't complain of noise from the band shell after they move into their obstructive condos. If they complain, that is on YOU) (the owners might want to let people know BEFORE they move in)</p> <p>When we moved here, we loved the fact that people stopped to let pedestrians cross the street, as a courtesy. You have since put up signs exclaiming it is LAW to stop, completely taking away the personal touch of this town. Now, people don't even look as they enter the cross walk. It is expected, it is cold and it screams lawsuit awaiting. Get rid of the legalistic signs! Let the good natured people of Oconomowoc be people</p>
20	Add more retail and restaurants! Open up HWY 67 bike tunnel!
21	Overall, I love Oconomowoc. To keep our quality of life, I would encourage the city to please reduce the emphasis on "affordable housing." I say this as a middle-class husband and father of three. Oconomowoc is a gem. If someone can't afford to move here, there are affordable options in neighboring towns and communities. Let's maintain and improve what we have - East Wisconsin Avenue comes to mind - rather than build more buildings, condos and apartments. Please, please maintain the natural beauty in Oconomowoc. I will strongly support any political figure who opposes or is at least balanced in the approach to building more "affordable housing" in our town. I would also love to see - and fully support - lakeside dining options in the downtown area.
22	N/a
23	<p>Again would like to bring to light the unused and forgotten Fowler Lake shoreline behind the old Sentry building and other buildings along East Wisconsin ave.</p> <p>This natural resource could be a beautiful walkway or nature trail.</p>
24	As I have stated throughout this survey my concerns are: Wider sidewalks to accommodate bikes and people with dogs I dont feel comfortable riding in the bike lane on summit down the hill it just scares me being next to a big truck on my bike. improve Lighting along the sidewalks. The light bulbs were changed but the spacing in

	Response
	<p>the lamps are too far apart. Take a walk down the sidewalks when there is no moon out. It is very dark walking around the lake. Roads that are close to downtown are really in need of some looking after. It shouldn't take years to repair a road that has been a hazard for years. You want to get people to shop here then bring in the restaurants people are going to want to eat at. I had a couple walking down the sidewalk, that were visiting from out of state, and they stopped me because they couldnt find a good place for breakfast. Where are all the restaurants?? they wanted to know. Downtown is pretty in the winter, it just needs some regular upkeep every year. I love the lights on the trees, good job with that. Please Please do not build any more apartment buildings. the ones we have now are sitting half empty. Listen to the people and their conversations about what was good about Olympia being here. They say that it brought people in from all over for the conference center. There is not a conference center that big in the area at all. I think it is a bad shame not to keep it as a conference center. It brings in activities from all over and people stay here overnight and then eat at our restaurants and shop at our local stores. The indoor pool was always busy with the elderly trying to get their exercise in. Now you took away my pool. :(please bring it back. I need a grocery I can walk to or bike too and so do many other elderly/handicapped people. Also to add - I think the school bus company should reevaluate their routes. They say that we do not qualify for the bus yet the bus stops 500 feet from our house yet our kids can not ride the bus because we live too close. How come the subdivision that my kids walk through to get home, get to ride on the bus?? It doesn't make sense. The bus follows my kids home, yet we live too close to the school to ride the bus?? I called the bus company and they said that is the way it is we live too close and that was that. They also said the bus is full. Well if you follow the bus in the car you can see that it is empty. How can we get the kids to ride the bus to alleviate the congestion of the car drop offs and pick ups. The buses are there, we pay for them and yet the kids are afraid or don't want to ride them. I shouldn't have to wait on the road to try to get to the parking lot to get to the office of the school at the end of the day. There has to be another option. I have been to other schools that you are able to get to the parking lot even though the line to pick up kids is long. I love how everything is so close to my house that I can walk or ride my bike to a lot of places and activities the city has downtown. That's all I have for now. Good luck.</p>
25	Drugstore needed downtown
26	<p>I would like there to be more restaurants and businesses that cater to young families. It would be nice if there were more options of drive throughs with small children over by Pabst farms. If Jimmy Johns or Starbucks had a drive through it would be nice. If there was a dry cleaner with a drive through option. Another restaurant that is family friendly near Pabst farm.</p> <p>It would also be VERY beneficial to the city and families to take out Kmart and place a target there or near Pabst Farms. The target in Delafield is small and outdated. I run into MANY moms that often complain about target and would like to see a bigger one placed in Oconomowoc.</p> <p>A movie theater that is better than the one in Delafield would also be a great idea. You have to keep in mind that for families in Ixonia, the far end of Oconomowoc and Sullivan it is a far drive to Delafield with small children. Making Oconomowoc a bit more family friendly would increase the likelihood that more young families would move to the area.</p>
27	Lakeside dining, incentives for buying and remodeling older homes, maintenance and upkeep requirements for historic homes (like those in the Merchants Plat area).
28	No more condos- destroying culture of beautiful City
29	No more apartments and no more condos!!!!
30	Proper snow removal and salting of city streets
31	Finish east/west street corridors
32	Too many apartments. The schools are overcrowded as it is. People rarely stay in oconomowoc to shop or eat because options are so limited.
33	More pet friendly places
34	Housing that is coming in is cheap looking and high density. Need more open space. Development is too tight. Example is the area by Qdoba-horrible parking!! Need more good paying non retail or food industry jobs in the

	Response
	city to help the tax base
35	Less residential development and more focus on preserving the country feel of Oconomowoc. While still developing retail options by improving existing retail spaces. Keeping lots large and homes spread apart.
36	Small Grocery/ convenience store downtown.
37	Keep the historic look of Oconomowoc relevant in downtown for any future renovation or construction plans.
38	No.
39	Faster response time for emergencies
40	Balance development, new housing, and the city's charm and aesthetic. Downtown is a great example of this done well, but with so much development taking away views of the lake it may be tipping too far - Fowler Lake project is a solid balance. Maintain focus on bringing in new business and retail to manage tax burden.
41	Stop building condos and apt
42	The park and rec department is subpar for the taxes we pay. We have to go to other communities for our children to participate in any sports. It is poorly organized and ran. I would love to see this improve. It's sad we can't stay in our own community to support our children's athletic development.
43	More publicly on radio and TV of upcoming events in Oconomowoc.
44	I love to see Oconomowoc be the safest city in the state. Not Heroin heaven like the SE end of the County. Redevelop the old sentry with a park on the lake, a new city hall and condominiums with retail closer to Wisconsin Avenue. Police Department takes over the old city hall and it gets remodeled and big push on lowering crime and holding criminals accountable. Not the hug a thug current mentality like Milwaukee, West Allis or Muskego.
45	Improvements to downtown parking: improve current lots and increase availability of parking.
46	Just in general would like to see downtown more pedestrian and bike focused
47	I think affordable workforce housing would be a good idea. The area around Fowler Lake is a jewel in Oconomowoc's crown: the historic homes and vistas along Main Street between the two lakes is a treasure. The lovely swings and benches are wonderful around the lakes.
48	1. We have enough housing development. 2. I would develop and protect access to our water resources. We do not have to develop every inch of waterfront. 3. Collaborate and attempt to connect to adjacent communities with bike lanes to Dousman, Ixonia ect. Pabst Farms area to Delafield is a great example. 4. Encourage population diversity. 5. Encourage small businesses (food or retail) 6. No more gas stations! We have enough and they are great but adding more will not bring quality or decrease fuel prices.
49	Stop trying to become a "big city". My wife and I moved here for the small town feel and we are certainly not pleased with the addition of condos downtown and all of the housing developments. The city is losing touch with what makes our great in exchange for chasing the dollar signs.
50	Again, please be sure to take a measured approach to development. Don't bite the hand that feeds you and continue to prioritize the things that have made Oconomowoc special from the beginning (natural resources, green space, community mindset, parks and libraries, etc.). Thank you.
51	Need more beach areas, need more public access to shore front. The new condos next to the beach should have been purchased by the city to expand the beach.
52	No big box stores. Continued development of downtown for new residents in current condos.
53	I would like the city to add fall leaf collection at the curb. I would like the city to find an alternate route for trucks going through downtown. Its very unpleasant to have semi trucks going down Wisconsin Ave.
54	I would like to see lower property taxes for seniors on fixed or low incomes.

	Response
55	Continue to update and improve the front of stores in downtown. Make sure that there is a connection between downtown and Highway 67 out to I-94. Additionally, Olympia and its surrounding area would be the number one priority I would mention. That area could be a huge opportunity for the city. I think the K-Mart needs to be replaced with something that will draw more people and the vacant lot between that mall and Olympia needs developing.
56	We could use a better variety in choices of restaurants and other stores. We have too many multiples.
57	Oconomowoc's history is beautiful and valuable, and it has been unfortunately disregarded and disrespected by the city's current government/decision makers. Please work to keep our beautiful history and architecture alive and present in our city.
58	Again no more condos or apartments to go up. Please keep the green space. Also my biggest thing I would love to see before 2050 is to have a train stop for people to commute to Milwaukee and/or Madison.
59	None
60	I would like to see the city allow people to rake leaves to the street and the city comes through to remove. Many other cities do this and it seems to be a good option. Thank you
61	Again please stop allowing private developers to use public City streets to park construction equipment and materials while they are building. As a private homeowner I was not allowed to do this. Also please enforce the construction times w developers, there are areas near the downtown where construction has been going on for years. This is a lot of early morning and weekend pounding and beeping for people to take over several years time. Please build the new public safety facility on the Sentry site. The city is expanding and your safety services will grow into the space. Give the police what they are asking for-their budgets get cut far too often by council members unfamiliar w what they need and why they ask for it. Also please choose a cohesive architectural look and uphold standards. Red brick boxes several stories tall are not that attractive.
62	Concerned about over development of the city without services to support the growth.
63	I feel the green space on NW corner of roundabout is wasted space...it needs a purpose, even if just a path or gazebo with benches. The back of the buildings that back up to fowler lake and the boardwalk still need work to look nice and offer more lakeside dining. I'd also like to see a small grocery store in or near downtown. A specialty cinema/theatre would be nice downtown for movies, plays, concerts and special events...there really isn't anything to do for entertainment downtown besides eat and drink.
64	N/a
65	Water runoff control in Riverline dr. area.
66	Fishing pier on Lac La Belle
67	Better response to on line communication. Questions are seldom answered, emails not returned. Little feedback offered when residents of neighborhoods suggestions on improvements
68	Keep up the good work on improving safety, community activities, and aesthetics
69	We need improvement in the other areas of town besides the downtown. We always forget about the westside by the bypass and the part of town out by golden lake road.
70	Better traffic flow near/around/in OHS area. Better lighting for nighttime crosswalks,especially downtown on Wis St and by rec dept. Can't see people crossing at night
71	Better school
72	Can we fix the street lights? I'm glad we got these LEDs, but they are so bright that they are no longer safe, because your eyes can't adjust quickly between the dark and light in between, and it makes the dark places even darker. Plus they are so bright we've had to modify our use of curtains. Can we find something warmer and less...polluting?
73	Thackeray trail expansion and fixing water issues on Thackeray Trail. Would like to see the road go through as originally intended.
74	less focus on extensions of certain street. better maintenance of the streets.
75	Please work with the property owners of historic buildings to fix them up and keep the sense of place and the history of Oconomowoc alive. It would be great if students could ride their bikes to all the schools safely on bike paths. Enforce property ordinances regarding lawn care, building safety, etc.

	Response
76	Fix drainage issues in our subdivision that were reported to the City Engineer in January 2018. Each winter, I have to constantly chip ice away from the end of the driveway because all of the water collects by the utility box/shared mail boxes. Any prolonged minor or quick hard rain event creates a lagoon in the same area that the ducks like to swim in.
77	Police consolidation with Summit, Town of Oconomowoc Oconomowoc Lske to improve coverage and saturation
78	In terms of retail, would like to see a market/bakery in the downtown area. More restaurant options always wsntrd. Also think the alleyways/walkways between parking lots and businesses should undergo a 'beautifucation' Campaign. The walkway done with the grant last year shows what could be. That alleyway next to Fiesta really needs attention.
79	Do we have a sustainable potable water source for the next 50 years? What is the plan to get rid of the LEAD water laterals to homes?
80	Measures that keep us from adding to, and help us adjust to climate change
81	Better downtown parking with larger spacing to park a typical vehicle, more renewable energy options, fix Main St from 4 corners to rail road tracks.
82	No mention of youth. Kids need safe transportation options, engaging places to go (parks, not just shopping or coffee shops), places that foster creativity and resilience. Multi-age development could help replace the family support that many of us do not have. We all need better and affordable childcare options.
83	We have to travel so far for good shopping Brookfield. Best store closest is Kohls in Delafield (17 Miles from my house). We need a store that has nice clothes at an affordable price not too expensive. Continue to make parks and downtown beautiful while maintaining the roads.
84	1. More trash cans on E. Wisconsin Ave. 2. Clean mold from public buildings like the Post Office. 3. "No Parking" signs for events downtown with VERY LARGE times printed to be seen before driving by. 4. Paint road dividing lines more often so they can be seen when raining at night. 5. Shade/pavilion on the village green.
85	Pedestrian bridge over 16/67 bypass by Nature Hill. Sidewalk behind Longmeadow Subdivision on Lapham
86	no
87	Encourage development of original music venues.
88	Additional parking in the city lot across from The Depot. 2nd level.
89	No
90	Less condos and more focus on maintaining what Oconomowoc offers- upkeep of the parks, lakes, and festivals
91	I would like to see more shopping..Target, Kohls, departments stores like Nordstrom, small local shops, etc. A continued emphasis on downtown appearance. Most of all stop with the ugly condos. They are a disgrace and destroy the quaint look and feel of out town.
92	I do not like how the lakefront is being developed.
93	Would love to have Morgan road connected to a bike path or have one added. Its a much travelled road and very unsafe for bikers and walkers and kids.
94	I enjoy living in this community, too much growth too quickly is concerning.
95	Kmart has nothing in it and the items they do have are over priced. Rents for seniors are ridiculously high. Shameful. Utilities on the high side. Otherwise this area is beautiful
96	More grocery, shopping, dinning, and fast food options are greatly needed. More industry. Get a Meijer and a target out here. No more gas stations or banks. Let more options move into Pabst Farms.
97	More parks on lakes OTHER than just lake Fowler. Also why are there no questions about managing or reducing property taxes? I'm all in favor of adding select, additional amenities but am concerned there was no focus on affordability of living other than what I think an average monthly housing payment could be for most residents. I'd also appreciate continued focus on the cost of municipal services.

	Response
98	1. Continue to maintain the balance of a small town community feel without becoming outdated. 2. Would like to see more hotel options for overnight stays. 3. Would like to see more affordable access to beaches and lakes, as well as classes at the community center. Would be nice to broaden the scope of those who don't have to pay a higher fee to include residents that live within the Oconomowoc School District.
99	no
100	More round-abouts and fewer traffic lights
101	Stop all the big tall building developments and taking the country away.
102	Our library and historical society are good but deserve more attention by the community. A bus like Badger Bus stop in Oconomowoc would encourage college students and family working away to come home more often
103	Improved sewer/drainage on Elizabeth st. It floods a lot. There are also no sidewalks for those in wheel chairs. We joke about calling dominoes to come fill the pot holes.
104	Would like to see discussion on a second high school and a third intermediate school.
105	Stop allowing huge properties being built along waterfront and building huge homes on 1/4 acre lots. Add more neighborhoods like misty meadows as it no longer feels like "lake country"
106	Keep Lake Bluff Dr a "No Through Road"
107	Na
108	A limit to new expensive housing.
109	Lake bluff rd extended to hwy 67
110	Again, we NEED something for our youth to do. There is no where for them to go. They need a fun and safe place to hang out. Maybe that would help with some of our drug problems . We also need to stop pushing out the lower middle class families. Oconomowoc has become unaffordable for families who don't make 6 figures.
111	None
112	I would like to put emphasis on the preservation of the local HISTORY. We are losing that feel so quickly and with it goes the small community feel that so many live here for.
113	Control goose population on lakes.
114	Yes!!! All future developments must be limited to 3 stories and architecture design MUST fit/match existing HISTORICAL buildings. Stop ruining the charm of this beautiful HISTORIC CHARM of this city!
115	Keep the park downtown on the corner of Main and Wisconsin Ave as it is right now. I know in the past there were plans for a condo there. This large open space is perfect for events we have here and for people gathering. It is rare in any town to have such a resource for all in the community as this large green space. Please do not make it smaller or change it. Thank you.
116	A bridge or pass over hwy 67 off of hwy z so kids/families can bike to downtown without the dangers of crossing that intersection.
117	Community Pool
118	Address Wisconsin Avenue - bypass to roundabout- depressing! What is going on at Pabst Farms? Walkable paths//sidewalks from Nature Hill Intermediate School to neighborhood
119	Extend the multipurpose path to the river on concord
120	Yes the elephant in the room not addressed on this survey. High density housing being added at a crazy ratio that it can't be filled! Oconomowoc is abandoning its own guidelines of high density housing ratio. While not keeping up adding businesses and single family housing. Just looking for the tax advantages but not adding businesses in areas that need it. Not handing out liquor licenses to restaurants that are going to be desperately needed to support ur high density housing and not addressing parking like u did downtown. While then not enforcing some of slum landlords and developers. Not listening to the public at netting's and constantly allowing Jason Gallo to approve developments against their own plan. Finally not recruiting businesses to have more people

	Response
	Love here and work here. Would love to but no availability and now another plant will sit empty in the tracks. We move in the right direction but sure have a lot more to fix! 40 year resident of Oconomowoc and 4th generation of Oconomowoc
121	Clean up abandoned and deteriorating houses in neighborhood and close businesses in neighborhood that are eyesore
122	The new street lights are too bright. My yard looks like a parking lot.
123	More play parks on the northern edge of Oconomowoc. Public swimming pool or splash pads.
124	No
125	More Downtown parking needed.
126	Well thought out development that doesnt destroy small town charm that entices folks to move out here. I dont feel we need a bunch if low income housing or more lake view impeding condos. Also address some opioid problems before it gets out of control.
127	I think safety for children riding bikes as I have seen an increase in speeding the larger we grow.
128	Make the back of the buildings behind the Irish Bar look more appealing
129	Clean the street lights and bridges a few times a year, they are full of cobwebs
130	Fine people who do not keep their yards well maintained. Or, give them help to clean it up.
131	Watershed protection, to much impermeable surfaces close to the lakes, and need to educate citizens about dumping to storm sewers, proper pesticide applications.
132	Crossing guard fir NHI kids at bypass
133	Would love to see a few summer seasons with no downtown construction. Since we moved here, between the First bank addition, the community center construction, the two new condo developments, Wisconsin ave has been under constant construction traffic. Would really be nice to see a few seasons of clean open roads. We really love OC and are happy we made this choice. Thanks for all you do.
134	NO MORE CONDOS
135	PLEASE DO NOT BUILD ANYTHING RIGHT NEXT TO THE ROAD WAY (PARK/REC CENTER, WORTHINGTON STREET APARTMENTS). THESE ARE BOTH EYE SORES. WHY DO WE ALWAYS HAVE TO TEAR DOWN OLD BUILDINGS TO MAKE WAY FOR THE LATEST AND GREATEST? WHAT IS WRONG WITH PRESERVING OUR HISTORY AND ADAPTING TO TODAY AND THE FUTURE? PLEASE CONSIDER MORE AFFORDABLE HOUSING. THERE ARE A LOT OF PEOPLE WHO CANNOT AFFORD THE "AFFORDABLE" HOUSING THAT IS AVAILABLE, AND THE HOMELESS PROBLEM WILL ONLY GET WORSE WITH TIME. OCONOMOWOC IS NOT AS AFFLUENT AS EVERYONE THINKS.
136	Stop building condos
137	Do not become too big of a city. Keep the historic charm and culture alive here. Do not over populate or compete with the big retailers
138	I live in the town, two houses outside the city limit. I would like to see greater coordination between town, city, and school district in development plans, including asking the town to offset costs of community resources such as recreation facilities that town residents can then access. The school district boundaries cover a large geographic area, and coordination with the district is in the interest of all citizen taxpayers because such a large portion of local taxes support the schools. Those funds are considerable, and the money spent should benefit the larger community. Healthy parents/grandparents raise healthy kids.
139	The Olympia area needs attention as that is the area people see when they enter Oconomowoc and right now it gives a poor impression.
140	Fiscal responsibility
141	There is no need to use tax dollars to disrupt wetlands and build more connecting roads. Please use our tax dollars more responsibly. Leave our wildlife, wetlands and the beauty of Oconomowoc alone. Let's focus on the current roads that need major help as the development in Oconomowoc rises
142	- Consistent, available access to community information - thoughtful, long term plan that prioritizes the community goals over tax revenue.

	Response
	- a strong priority to protecting, preserving, and advocating for our amazing natural resources. This focus could be the model of a visionary, sustainable, environmentally focused community. This has a generational impact and could lead the way for others to admire and follow.
143	No
144	Do not overdevelop.
145	Enough large development. Let's work on smaller projects to continue the community feel and get away from the corporate feel we are moving towards. Don't take away the history/charm.
146	I live right by the 67 bypass, which hinders kids (and adults!) from being able to safely ride bikes or walk to OHS, downtown..... perhaps a pedestrian bridge? That entire KMart area is a serious blight including the road in there which is horrible to drive on. I'm not opposed to having Kmart, Goodwill..... but that property is in dire need of a facelift. Please, make something wonderful happen at the former Olympia like the Marcus Corp
147	No
148	re-sync the traffic lights, sidewalk for students to safely walk to Nature Hill from Lisbon to Lapham to Nature Hill Intermediate School
149	<p>I gave lights a 'poor' rating. They certainly look fine, however night time is suppose to be dark. :) I am assuming you think this is a safety feature, but it is over the top with the number and the brightness of lights. Turn down the brightness, save some energy.</p> <p>-the residents of Oconomowoc need to be told the health, privacy, safety, security risks of 5G as well as its environmental consequences and the energy cost of the infrastructure on top of the 3G&4G energy costs.</p> <p>*Ideally, I would like Oconomowoc to be an oasis away from radiation. That people desire to come to Oconomowoc because we don't have 5G, but we still have trees that have leaves on them, birds which sing in the trees, and fish that still swim in our lakes. Residents are healthy because they are not bombarded with 5g- "smart city" radiation 24/7.</p> <p>*In June, 2018 Foxconn's chairman told his board of directors that within 5 years, 80% of their workforce would be replaced by AI. I understand cities are creating/planning to create infrastructures to meet possible Foxconn workers, etc -- I hope we are alert to Foxconn's long term strategies.</p> <p>Thank you for asking for my input. I truly appreciate the beauty and quality of life that Oconomowoc represents right now. I appreciate our leadership team and those city employees that work diligently for our city.</p>
150	Affordable apartments and housing is huge...increase that and you get more tax payers and increase in school attendee plus more revenue to local businesses hopefully. And the old empty buildings and spaces have got to go. Stop the huge developments if over priced condos and focus on the dumps of the city.
151	I would like to see more low cost or no cost fun family entertainment options or facility's
152	Get rid of kmart. Bring in better retail not just dollar stores and goodwill.
153	Stop building multistory buildings around the lake
154	An off leash dog park and less fireworks. Way less fireworks. I walk a lot with a dog who doesn't want to leave the house in the evenings because they are a constant from mid June to Labor Day. Or at least notice when they will be going off.
155	Please do not destroy the charm we all love as residents (tourists love it too) by focusing so hard on high density housing!! A few modest neighborhoods is all we need. The ridiculous tall, very expensive condos are and eye sore and don't help our real residents!
156	I feel that no matter what I say it will be ignored and current city government will just go ahead and do whatever they want-as they have clearly done in the past. They are out to make money and the hell with what citizens would like to see happen. Don't even know why I'm filling this out.

	Response
157	No
158	Again, leveling out and repaving Lisbon from its origin off of 67 north (Lake?) to Hwy. P. It is an absolutely terrible drive, hard on the body and hard on the vehicle.
159	We'd like to see some retail development such as a strip mall that would include things like Pier 1, Ulta, Bed, Bath & Beyond. Would love to see a Meier's come in to town.
160	I think we should focus on restaurants and retail in the downtown corridor and make sure to accommodate those businesses to keep our downtown lively and draw guests from other places. Currently, there are many too office type places in this area.
161	Enforce speed limit infractions
162	No
163	It would be nice to have more green space downtown to offset the condos. The Haunted house building is an eye sore and needs to be torn down.
164	Parking. Please address parking downtown! I'd also like to see the old Enterprise building leveled. It's such an eyesore downtown.
165	Downtown is already overdeveloped! It has to STOP! Condos are not the answer to a make downtown vibrant. They have enclosed downtown & made it claustrophobic! ☹️
166	Put Thackery Trail and Oconomowoc Parkway through to Silver Lake Street to better distribute traffic. Open up a parking circle downtown. Boardwalk area open to main Street open to Eagles Landing open to the new lot open to Collins street so that people can drive through the lots looking for a spot to park. The boardwalk /promenade area should go through, no dead end there. Increase parking with a second level over Collins street lot, styled to match the depot with bus stop, station and toilets on Collins street. NO MORE tall buildings like the one on Pleasant Street in the downtown district. No buildings exceeding the height of the roof lines of our landmarks, city hall and the churches, should be allowed. This has ruined our skyline and hides our landmarks and should not have been allowed.
167	Please stop giving a green light to all this development. We live here for a small town feel. Not gigantic buildings all along the downtown.
168	While I understand we are growing and that is wonderful, I'd like to see less condos and apartments approved. We have so many of them. At some point people will start buying and then the price will need to drop on rent in order to fill them up and we will then create a draw from people who may bring problems from other areas to Oconomowoc.
169	Save the history, stop knocking down the historic buildings and building condos only the elite can afford.
170	Stop blotting out the lakefront with multi story condos
171	Not really, emphasis on public transportation, parks, community events, higher end unique restaurants and water pad
172	Neighborhood parks required in subdivision developments.
173	No
174	More bike/walking paths (sidewalks)to and from schools so kids don't have to walk next to or on the road or cut through neighborhoods.
175	I think that Oconomowoc needs to focus less on creating affordable housing and condominiums. I also think that we should be creating less subdivisions. We don't need to grow Oconomowoc, many people enjoy it because it a small nice town where everyone knows each other. And I know many people would like to have more nature paths and areas. Unfortunately, many of those areas have been torn down to build more unnecessary housing. Which is disappointing.
176	We Need a COMMUNITY POOL!! Roads in the city need to be repaired!! By the condos are the worst!!
177	Less high priced condos

	Response
178	No more ugly, over priced condos please :)
179	Yes stop taking away the small town feel by building condos and apts we don't want them anymore.
180	Less Condos!!!!!!!!!! Would like to see a community aquatic center rather than going to the lake where you really can't swim.
181	Repair of street that I live on.
182	Protect natural resource! Stop building in protected areas, deal with the current problems before moving on to NEW projects.
183	Stop with the huge condo developments downtown. I know they bring in taxes but my god what an eye sore. And please baby Jesus no more big stores. I know I know, jobs and money and convenience. A lot of us are here or moved out of the city for the small town country experience.
184	Stop spending \$ on fireworks, enforcement of private fireworks use, more activities for teens
185	More Tax paying development that does not need a handout from the city.
186	n/a
187	Please finish the underground pedestrian tunnel at Hwy 67/Lake Country Trail. It is dangerous crossing that road in a car, much less on a bike or on foot.
188	As a person that lives in a city that is being loved to death managing growth while preserving the character of the community is the biggest challenge for the community. The very fact that you have offered this survey and are thinking comprehensive in planning the future of the community I applaud the effort and hope to live long enough to enjoy it in the future.
189	-
190	Focus on the core community and reduce new construction like condos and income based housing they don't provide enough tax revenue. And reduces the Small Town feel I so enjoy here. I moved out of a big city for a reason. And I don't like seeing these massive structures that literally cast a shadow over some historic properties
191	Stop approving condos downtown. Work to bring in much better dining
192	Stop putting high rise condos blocking all the views of the lakes.
193	Please stop taking away from the beauty of downtown by building high rises. I understand wanting to increase occupancy but make it for the area. People want to see the lakes not condos that take away from parking for businesses. Don't tear down business for green space either. People have backyards for a reason, and downtown needs to thrive on business not green space.
194	Add more neighborhood parks to newer subdivisions and mandate larger vs smaller lot sizes. This would help bring in and keep upper middle class families.
195	Continue to develop Pabst farms. We need retailers that are going to bring people to oconomowoc because of uniqueness in the area (Trader Joe's; midscale restaurants). A shame IKEA didn't play out.
196	The streets have not been fixed paved in over 15 years where I live. And more areas for kids to play and keep busy so they can be active without always being on phones and drugs so on.
197	Single family housing developments that are more affordable, less apartment/condo/senior living. I think the recent apt/condo developments are great, but there are a lot now. Cleaning up/finding tenants for vacant buildings in downtown area.
198	I would love to see Oconomowoc grow while keeping its charm and lots of green space. It's nice to feel like we are a community that is close to bigger cities but also that we are in the country. I would hate to see Oconomowoc turn into the next Brookfield or Waukesha.
199	Listen to the community members before deciding on the future of the town
200	walkability along Lisbon to Hwy P
