STAT. § 11.0201(2)(b)).

Treasurer/Administrator Information. Each committee must appoint a treasurer and each conduit must appoint an administrator. Any adult may serve as a treasurer or administrator. STAT. § 11.1104(6)). It is recommended that the committee maintain the segregated fund in a depository account separate from the primary account, but it is not required.

Items E3 - E7. If the segregated fund is maintained with the same depository institution as the primary account, write "Same as primary account." in E3.

Section F: Referendum Committees. Only referenda committees should complete section F.

This is a sample nomination paper form. It conforms to the statutory requirements for nomination papers for nonpartisan office. All information concerning the candidate must be completed in full before circulating this form to obtain signatures of electors. All information concerning the signing electors and the circulator must be completed in full before filing with the appropriate filing officer. This form may be reproduced in any way. A candidate's picture and biographical data may also be added to this form. The Wisconsin Elections Commission has determined that no disclaimer or other attribution statement is required on nomination papers. Candidates are advised to send a sample of their completed form the filing officer for review before circulation.

Page Numbers – Number each page consecutively, beginning with “1”, before submitting to the filing officer. A space for page numbers has been provided in the lower right-hand corner of the form.

The Wisconsin Elections Commission has determined that, absent any evidence of an attempt to manipulate the electoral process, candidates are permitted to choose any form of their name, including nicknames, by which they want to appear on the ballot.

No titles are permitted. In addition, names such as “Red” or “Skip” are permitted, but names which have an apparent electoral purpose or benefit, such as “Lower taxes,” “None of the above” or “Lower Spending” are not permitted. It is also not permissible to add nicknames in quotes or parentheses between first and last names. For example, for a statewide office the jurisdiction is the State of Wisconsin. Others may be the county, town, village, city, aldermanic district, school district, or town sanitary district, as required.

The date the elector signed the nomination paper, including month, day and year, must be indicated. Ditto marks that follow correct and complete address or date information are acceptable. 86.19(2) The department shall prescribe regulations with respect to the erection of signs on public highways. Such regulations shall have the full force of law. No advertising sign shall use prominently any words, or combination of words, commonly used for the guidance or warning of travel, nor shall any advertising sign be erected or be permitted to remain in any place or manner so as to endanger travel on the highways, either by reason of causing an obstruction to the view or otherwise.

86.19(3) Any person who shall erect any sign on any public highway, or elsewhere in violation of any of the provisions of this section or the regulations of the department, or without the written consent of the department if the sign is to be erected on a state trunk highway, the county highway committee in the case of a county trunk highway, or the city council, village or town board in case of a street or highway maintained by a city, village or town, shall be fined not less than \$10 nor more than \$100, and for a second or subsequent violation shall be fined not less than \$10 nor more than \$500.

86.19(4) This section shall not be construed as prohibiting the erection of such historical monuments or markers within the limits of public streets and highways as shall be approved by the department. The name of a newspaper on a newspaper tube or receptacle shall not be deemed a sign within the meaning of this section.

86.19(5) The department shall assign to each county and local authority responsible for the placement and maintenance of signs, guide boards, mile posts, signals or markers erected for the warning, instruction or information of the public a code number which the county or local authority shall place on each warning, instruction or information device at the time of replacement or new installation of such device.

86.19(6) At the request of any city, village or town, the department shall erect directional signs on state trunk highways at the intersection of those highways with streets or other highways where the streets or other highways lead to the city, village or town, provided the city, village or town is located within 5 miles of the intersection and provided the city, village or town agrees to pay for the installation and maintenance of the sign. The directional sign shall show the name of the city, village or town. For the purpose of this subsection, the term "intersection" includes exit ramps from any expressway or freeway or interstate highway.
