

2021 Street Construction

As with any construction activity, there will be some inconvenience to area residents. Streets will be kept open to local traffic throughout the project, although there may be times when access to your driveway may not be available. Off-site parking may be necessary during these periods. If accessibility is a concern, please inform us so we can work to accommodate your needs. You will be notified of any such work in advance by our contractor via hand delivered notice so you may plan your activities accordingly and remove any vehicles needing use. Please send your concerns to Dave Stoiser at Dstoiser@oconomowoc-wi.gov or Kim Wirth at kwirth@oconomowoc-wi.gov.
