## Electric Rate Information

**On-Peak Hours:** 8am to 8pm Monday through Friday, excluding holidays (New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day)

**Off-Peak Hours:** All times not specified as On-Peak

**Customer Charge:** The fixed monthly charge to fund the cost of facilities that allow electricity to be continuously available to customers, regardless of usage level. This minimum charge is assessed even if there is no consumption during the month.

**Distribution Demand Charge:** The peak single moment of electric energy consumption during the prior twelve months regardless of time of day, measured in kilowatts (kW)

**Demand Charge:** The peak single moment of electric energy consumption during the current billing period on-peak hours, measured in kilowatts (kW)

**Energy Charge:** The total cumulative quantity of electric energy delivered during the billing period measured in kilowatt hours (kWh)

**Commitment to Community Charge:** State required funding of low income assistance and energy efficiency programs. The charge shall not exceed the greater of the monthly amount shown or 3.0% of the other electric charges, excluding sales tax.

**Power Cost Adjustment:** All energy charges (per kWh) are subject to the Power Cost Adjustment (PCA) reflecting monthly changes in the cost of power generation and transmission.

**Commercial Discounts:** Cp-1, Cp-2 & Cp-3 rates have discounts available: Primary Metering: 1.75% of Energy, Distribution Demand, and Demand charges. Transformer Ownership: \$0.60 per kW of Distribution Demand

### ? - Did You Know - ?

Oconomowoc has an electric utility, but not a local power generation plant. We are partial owners of a 51 member cooperative that efficiently negotiates purchased power on our behalf. We receive this power at our substations and deliver it to each of our individual customers. Find out more about Wisconsin Public Power Inc., at [www.wppienergy.org](http://www.wppienergy.org).
